

## PARTIAL RESULTS ARE GIVEN ON MEET

### CAMERON WINS CLASS A SENIOR TRACK AND MAY HAVE MA- JORITY OF POINTS

Cameron won the Class A Senior track meet with 66 points against 56 for Rockdale and 25 for Thorndale. First, second, third and fourth place winners of the various events were as follows:

120 Yard high hurdles—Pickens, Rockdale; Baskin, Cameron; Clark, Thorndale; Barnett of Thorndale and Herndon of Cameron tied for fourth place.

100 Yard Dash—Oliver, Cameron; Harris, Rockdale; Walker, Cameron; Carter, Rockdale.

High Jump—Baskin, Cameron; Pickens, Rockdale; Seelke, Rockdale; Carter, Rockdale.

880 Yard run—Edmonds, Cameron; Fisher, Rockdale; Foster, Rockdale; Tucker, Cameron.

220 Low hurdles—Pickens, Rockdale; Atkinson, Cameron; Clark, Thorndale; Herndon, Cameron.

440 Yard dash—Evard, Rockdale; Stach, Cameron; Walker, Cameron; Hairston, Rockdale.

220 Yard dash—Oliver, Cameron; Carter, Rockdale; Harris, Rockdale; Alcorn, Thorndale.

1 Mile Run—Ellis, Rockdale; Fisher, Rockdale; Sustek, Cameron; Richter, Cameron.

1 Mile Relay—Cameron and Rockdale only teams entered. Cameron won first place.

Broad Jump—Carter, Rockdale; Pickens, Rockdale; Herndon, Cameron; Clark, Thorndale.

Pole Vault—Barnet, Thorndale; Greenless, Cameron; Slovacek, Cameron; and Alcorn, Thorndale, tied for third and fourth places.

Javelin—Worcester, Cameron; Alcorn, Thorndale; Summers, Rockdale; Sustek, Cameron.

Discus—Stach, Cameron; Brown, Thorndale; Clark, Thorndale; Gutarie, Rockdale.

Shot Put—Stach, Cameron; Brown, Thorndale; Clark, Thorndale; Pickens, Rockdale.

An incomplete report of the Meet was not possible for this issue of The Herald, but the tabulated returns will be published next week. Other events in which Cameron placed were as follows: Cameron tied for first place in junior spelling, tied for third place in sub-junior spelling, and won third place in senior spelling. Cameron won third place in the music memory contest, failed to place in art appreciation, but won first place in the arithmetic contest.

Results of the junior track meet had not been compiled in time for publication this week. Cameron won first place, however, in the potato race for Class A teams.

Judging from the events known about, it is safe to assume that Cameron led the Meet in the total number of points scored.

## Final Report On 1929 Cotton Crop

Census report shows that there were 39,911 bales of cotton ginned in Milam County from the crop of 1929 as compared with 68,904 bales from the crop of 1928.

Very respectfully,  
Grover H. Albert,  
Special Agent.

### CHARACTER

Run out the race unto the end  
And finish where you can.  
Or lose or win, when you come in  
Be none the less a man.

Play out the game unto the last  
And if you fail today  
Come home content your strength  
was spent  
In learning how to play.

What if another takes the prize?  
There's many a prize to be.  
And an honest name holds longer  
fame  
Than a last week's victory.

Use all you have of strength and skill  
But never try deceit,  
You can keep your grin if you've  
cheated been  
But not if you're the cheat.

Run out the race unto the end,  
And conquer if you can,  
But lose or win, when you come in  
Be none the less a man.

## CASE IMPLEMENT DEALER IS PLEASED

A. J. MATOCHA & CO. EXPRESS  
SATISFACTION OVER RESULTS  
OF HERALD ADVERTISING

This paper has been advised by A. J. Matocha & Co., local Case dealer that they are very well pleased with the results of the advertising campaign they are now running in these pages. They report an unusual amount of interest has been aroused in their product through this local advertising which is tied up with the big Case national advertising campaign.

Mr. Matocha said today to one of our representatives, 'The modern farmer is fast turning to power farming. He realizes if he is going to stay in the farming business that he must make a profit. He realizes too, that if he is going to make this profit he must reduce his cost of raising crops and that he cannot do this with old, out of date equipment. He knows that he cannot farm today as his father did in yesteryears, and that the only way is to be up to date, which means that he must use modern machinery.'

'We certainly are grateful, indeed, to see the way our farmers are taking to modern equipment. We lay much of this increased interest to the splendid cooperation the farm press and your publication have been giving to modern farming. The publicity given this very much worth while project is having a truly wonderful occasion to express our gratitude to influence. We would like to take this occasion to express our gratitude to the Cameron Herald for the splendid results we have obtained from our advertising campaign. We have received inquiries from local farmers whom we had no knowledge were even in the market. Many of these farmers have already placed their orders for modern farm machinery and many more will do so shortly.'

## Federal Tire Service For Cameron Soon To Be Opened Here

The Federal Tire Service is the newest addition to the business enterprise of the city of Cameron. This business is to have a formal opening and the tire buyers of this section are asked to watch for the opening date.

Wm. Talasek has purchased the filling station formerly owned and operated by Jack Owings and known as 'Jack's Place' and is selling Magnolia Gasolines and Oils and in addition has the Federal Tire contract for Cameron and this section. A large shipment of tires has been received and Mr. Talasek who is a well known dealer in these tires and an experienced man in station operation will have an important announcement to make in the near future regarding the formal opening of the station.

The station is being repainted and decorated this week preparing for the opening.

## Commercial Club To Elect Officers And Directors Monday

Semi-annual election of officers and directors for the Cameron Commercial club will be held on Monday night, March 31st. Arrangements for the meeting were made at the Monday night meeting of the club.

A committee has been named to secure a speaker for the occasion. A committee has also been named to make nominations for the officers to be filled.

The secretary has been instructed to mail cards urging the members to attend the meeting.

## Stunt Night Program At Maysfield School

The public is cordially invited to attend the 'Stunt Night' program to be given in the auditorium by the Maysfield school Friday night, March 26. The primary and intermediate grades take their parts in dialogues and drills, and the high school will present a most laughable one act play, 'The First Day of School.' Our senior and junior declaimers who were contestants at the County Meet last Friday will also give their recitations.

## [MAY BE QUEEN]

Princess Maria Cyrillovna, who may become the bride of the bachelor king of Bulgaria. Although certain statesmen are opposing the match because of fears that if she goes to Bulgaria that country may become the center of Russian monarchistic intrigues, King Boris will be his own judge in this matter. (Herbert Photos, N.Y.)

## Lee R. Tag At Baytown Writes He Appreciates Old Home Town Paper

Lee R. Tag, now with the Humble Oil and Refining Company laboratory at Baytown in a letter to the Editor of The Herald sends an expression of appreciation for the paper each week and the many friends here of Mr. and Mrs. Tag will be pleased to note they have found real pleasure in living in Baytown.

'It has been some four months since I left your employ and it has seemed almost no time at all. I have secured a very nice position that seems to offer much promise and I intend to make the most of it. The people here are very kind to us and we have established quite a few friendships.

'Some of the folks there in Cameron may say that the old home town paper is nothing to see but we who are hungry for every word from home read it avidly and we look forward to the day when we get it out of our box. It is a life saver and I can say that it has cheered us up immensely.

'I was rather surprised to see the face of one of my old school mates yesterday. Frank Plaster has accepted a position in the local post office. If this migration keeps up Baytown will be like home to us. I was also very much pleased to find several of my Southwestern friends here.

## Yoemen Lose To Allen Academy

Monday afternoon the Yoemen went to Bryan to play the Allen Academy team. The Yoemen played a fine game at times but at other times the defense blew up and they were defeated by a score of 10 to 9. Keith pitched good baseball considering the cold, windy day. He was unable to use his curve ball effectively on account of the wind. Prothro Deer was a sensation on the base-paths, stealing five bases and getting on by a walk four times. His other trip to the plate resulted in a single.

In the first inning 'Boots' Smith's timely single to right scored Douglas Williams and Alfred Ondrej. 'Boots' stole home a few minutes later after advancing to third when the pitcher turned his back to pick up the ball. The Allen team tied the score in their half of the inning and scored another run in the second.

The Yoemen went into the eighth inning two runs behind but 'Texas' Miller hit a long triple to score two Yoemen. 'Texas' tried to score on an error but the umpire called him out.

It looked like an extra inning game was to be on hand until a triple and a single scored the winning run for the Allen team with one out in the ninth.

W. M. Krause, constable from Burlington, was in Cameron Monday on business and while here called at the office of The Herald to extend his subscription for another year. Mr. Krause has been constable for that precinct for a number of years and has served the people well and will be candidate for re-election this year. He will make his announcement in a short time for the office again.

## 500 TICKETS OFFERED FOR CHURCH BANQUET

MIKE H. THOMAS OF DALLAS IS  
SPEAKER FOR BROTHERHOOD  
DINNER MARCH 28

Five hundred tickets have been distributed for sale to the Brotherhood Banquet to be held at the Methodist church Friday evening, March 28 at 7:30 o'clock at which time Mike H. Thomas of Dallas will be the principal speaker. The main idea of the banquet is to interest the men of the city in the community Sunday school drive which will end Easter Sunday with a hoped-for attendance of 1800. Others appearing on the program Friday evening, presided over by Rev. E. S. Hutcherson, will be Rev. J. B. Hardigree, Rev. C. A. Lehmberg, and Hon. Jack Lewis. Musical selections will be given by the male quartettes of the Methodist and Baptist churches and Rowland's Rollers will furnish orchestra music.

Tickets are being sold on the streets this week. Those who do not purchase tickets previously may do so at any time Friday at the following places: from H. E. Garner, John Haygood at the American Railway Express office, W. H. Stafford at Baskin's Dry Goods Co.; and Dr. James Watson at his office in the First National Bank building.

The Sunday School campaign gained impetus last week with more than 1000 in attendance at the churches of the city. For the second consecutive Sunday the Methodists led in the number present having a total attendance of 385. The Baptists had 373, the Christian church 77, the Presbyterian 130, and the Church of Christ 55. With only four more Sundays to go substantial gains will have to be made in all the churches if the goal of 1800 is reached by Easter Sunday.

## Cameron Students Win In Declamation

Giles L. Avriett, Jr., won first place for Junior boys in the declamation contest at the Interscholastic League Meet in Rockdale on Friday, March 21.

Miss Mary Jane Burnet won first place for Senior girls declamation.

Miss Patsy McGregor won second place in Junior girls declamation.

George Tiffany Moore won third place among Senior boys.

Winners in first and second places will compete in the District Meet in Waco on April 18.

Cameron won first and second place in Junior and Senior Choral singing by default, being the only entrants.

Rain caused postponement of the Saturday program and the League convened again Wednesday and Thursday.

## Eleven Bones Broken When Painter Falls From Tower Here

With eleven bones broken and two dislocations, Jack Hardy, painter and employee of the Santa Fe, is reported recovering. He was attended by Dr. G. B. Taylor, who reports the case.

The accident occurred last Thursday afternoon when Hardy fell from the tower west of the freight depot. He was painting the tower when he slipped from the scaffold. Both wrists were broken and both dislocated. His left collar bone and left shoulder blade were broken and in addition 4 ribs on the left side and one pelvis bone. He is now in the Santa Fe hospital in Temple and is resting well and will recover.

## TROUBADORES AT SKEEZIX SATURDAY NIGHT MARCH 29

The Troubadores, former University of Texas orchestra will play at Skeezix on Saturday night, March 22. This is one of the most popular orchestras in the South and a favorite with Cameron dancers. Elwood Cammer expects a large attendance at the dance.

F. Ottmer of Ben Arnold was in Cameron Wednesday on business and while in the city called at the office of The Herald to extend his subscription for another year. Mr. Ottmer says that farm lands have plenty of moisture and the farmers need sunshine to insure progress of farm work.

## Deaths Exceed Births In Cameron

Deaths in Cameron in the month of February exceeded by one the number of births according to the report of the State department of health in the current vital statistics survey. There were seven deaths and six births reported for the month.

Based upon a fixed census of 5000 the population of Cameron would be extinct in 417 years if this ratio of loss continues.

Based upon the calculated vital statistics for the State with a population of five and a half million 60,500 people die each year while 115,500 are born each year. If this ratio may be applied to the nation with a population of 120,000,000 there would be 1,320,000 deaths and 2,520,000 births each year. The estimate is 21 births to each 1000 population and 11 deaths to each 1000 population.

## Weather Records Are Threatened As Snow Flies In Cameron

Weather records were threatened when snow began falling in Cameron this morning. Not within the memory of many can so severe a spell of weather be recalled as that which enveloped the state Thursday when a belated breath of winter blew across the plains and surged on to the coast.

Preceded by a cold norther Wednesday night, rain fell early in the morning Thursday and at seven o'clock a light snow began to sift down out of the gray clouds, increasing in intensity up to the noon hour. Fear that freezing temperatures might prevail was expressed by many here. White house tops suggesting dead winter days greeted the people in mid-morning and indications were that the cold would continue through the night.

### HERMAN BRUDER

Herman Bruder, age 30, died at his home at Belmena at 12:30 o'clock Sunday afternoon. Funeral services were held Tuesday afternoon at two o'clock at the Lutheran church at Burlington, with Rev. Kalkbrenner officiating. Interment was in the Burlington cemetery, Green Brothers in charge. Pall bearers were C. F. Terry, Bob Kirk, Freddie Heinz, Jessie Hickman, Syllis Vaughn and John Brawshear.

Mr. Bruder had lived in this country for a number of years and his death will be mourned by a host of friends who knew and loved him for his many noble qualities. Special tributes were paid him and the floral offerings were beautiful. The following are the flower girls who participated in the funeral ceremony: Misses Elizabeth Heintz, Francis Steele, Mary Bodisky, Ethelmae Hickman, Ila Vaughn and Eva Vaughn.

He is survived as follows: Mr. and Mrs. Gus Bruder, Sr., father and mother; two brothers, Otto and Gus Bruder; two sisters, Mrs. Ed Dinker of Burlington and Mrs. Richard Luedtke of Burlington.

The Herald extends sympathy to the bereaved family and relatives.

### LUTHER MOORE

Funeral services for Luther Moore, 33, were held at three o'clock in the afternoon of Tuesday, March 25, 1930 at the Methodist church in Minerva with Rev. McCown and Rev. Joel Hardigree of the Christian church conducting the services.

Mr. Moore died at two o'clock in the morning of March 25, 1930 at the family residence near Minerva where he was born and reared and his death will bring sorrow to the hearts of many who knew an devoted him in life. Interment was made in the Minerva cemetery with Green Brothers of Cameron directing the funeral.

He is survived by his mother and other relatives, among them a brother in Cameron.

The Herald is glad to add the names of Mrs. J. O. Vaughn of Ben Arnold and Aubrey Hightower of Cameron, route 2 to the long and increasing list of readers of this newspaper. The initial paper will be mailed this week.

## CITY ELECTION HERE ON TUESDAY APRIL 1

ELECTION OF OFFICERS TO BE  
HELD AND VOTERS RE-  
QUESTED TO BALLOT

The regular city election will be held on Tuesday, April 1st which is next week and the voters of Cameron are urged to go to the polls and cast their ballots.

The primary election held in February every two years monopolizes interest in voting under the party system and no opposition occurs in the general election but voters should turn out and vote as this is the election at which officials for the city government are elected.

The election this year will be held in the city hall which is the building housing the fire fighting equipment. Wm. Henderson has been named the presiding judge of this election.

## Keith Electric Company Moves To New Location

The Keith Electric Company has moved from former location in the Yoe building to the Zalesky building formerly occupied by the Triggs Brothers cotton office next door to the Cameron Plumbing Company.

The building has been repaired and finished for the new occupants. The business will be formally opened on Monday, March 31 and the company invites friends and patrons to visit the store selling and servicing Frigidaires.

## MINIATURE GOLF FOR CAMERON FANS

Cameron has a miniature golf course soon to be opened for golf fans by Chas. Brady of the B. & B. Studio and Dr. C. F. Gyllenband. The course is located on the R. L. Batte property at the site of the old Presbyterian church.

This form of golf is proving very popular with golf fans over the country. The course is well constructed and fans will welcome this game. A small admission charge will be made.

## Cost Sale On Radio Sets Announced By Cameron Furniture Co.

Sale of Radio sets quoting cost prices and below with convenient terms for purchasers is announced this week by the Cameron Furniture Company. James L. Coleman in charge of radio sales and service has an attractive announcement in this issue of The Herald giving prices and terms on these sets. If you are interested you should read their ad.

## PARENT-TEACHER ASSOCIATION URGES VISITING OF SCHOOLS

Every patron of the Cameron school system is urged to visit the schools at some time during the first week in April, April 1-4 inclusive, this time having been set aside by the Parent-Teacher Association for such visiting.

One of the objectives of the P. T. A. is a better understanding between school and home. The committee making arrangements for the week of visiting believes that a visit to one's school is a friendly act of courtesy and cooperation, and that it will result in mutual help.

Mrs. R. B. Johnson and Mrs. T. E. Keeley, both of Dallas. They were accompanied home by young Johnnie Young, who is spending this week with them.

## CHRISTIAN CHURCH

Sunday, March 30th, is Family Sunday, when families are invited and urged to attend services. The family having the most of its members present will be awarded a prize. Sunday school will be at 9:45 a. m. 'The Value of a Family' and 'The Abiding Presence of the Holy Spirit' are the sermons to be delivered at 11 a. m. and 7:30 p. m., respectively.

The evangelistic meeting starts April 10th, and continues through April 20th. Rev. and Mrs. Arthur A. Hyde will conduct the services. Remember the time and place.

## Texas And Texans

By Will H. Mayes

### Texas Road Program

Texas has a road building program for 1930 that will cost \$8,500,000, the expenditure being made possible by the co-operation of the Federal Government. Of this amount \$41,500,000 will be spent on State highway construction and \$17,000,000 on local roads and bridges. It is estimated that 1650 miles of Texas roads will be improved.

Road building in Texas appears to be going along pretty satisfactorily and the money being spent for road work is almost sufficient in itself to prevent any serious unemployment situation.

But in the matter of building roads as in most other phases of modern life, those who help themselves are those that get helped. The section that waits for roads to be built for it without doing anything to speed the building will not likely get much help in 1930 or at any other time.

### Texas Life Insurance Loans

Life insurance has become largely an essential of modern living. The benefits are not only to those insured but are extended to many others. Texas life insurance companies in January loaned \$1,168,258 in the state, some of it to policy holders on their policies, but a large part on real estate and other securities. The

growth of Texas life insurance companies within the last decade or two illustrates well the trite adage 'What Texas builds, builds Texas.'

### Texas Harbor Projects

At least three Texas harbors seem assured improvements within the year under the rivers and harbors bill now pending in Congress. These are the Aransas Pass-Corpus Christi harbor, in which \$515,000 will be spent; Galveston \$706,000; Houston ship channel \$953,000.

### Tomato Acreage Increased

From all reports the Texas tomato acreage will be largely increased this year, perhaps doubled. DeWitt county growers plan planting 1500 acres; San Marcos growers are doubling the acreage. A number of sections that have been growing only for the local markets will plant for carload shipments. East Texas will doubtless have a larger acreage than usual. Several tomato centers are establishing canneries to handle the surplus crop.

### Point Isabel Causeway

It is announced that finances have been assured for construction of a \$1,000,000 causeway from Point Isabel to Padre Island, and that the company that will build it also has plans

for a \$1,000,000 resort hotel on Padre Island. Although Point Isabel is at the southernmost tip of Texas, this huge enterprise will benefit the entire State.

### Texas Gauze Mills

The construction of a mill at Marble Falls for the construction of medicated gauze for surgical dressings, which is to be in operation by June 15, is the beginning of many large industrial enterprises that are sure to follow the building of the Colorado river power and irrigation dams. A company at New Braunfels has been successfully manufacturing and marketing medicated gauze for the last two or three years, and the Marble Falls enterprise will not be an industrial experiment.

### Farmers Luncheon Club

When some 20 farmers met at Killen recently and formed a luncheon club they started a movement that is likely to reach large proportions. The club will meet every two weeks at lunch and discuss matters in which the farmers of the community are most interested. While they will doubtless invite Killen business men to meet and talk matters over with them from time to time, it will be distinctly a farmers' club. The Killen Herald offers a suggestion worth passing along to other communities when it says: 'Why not farmers meet in some form of luncheon and service club as well as men in other walks of life?'

### Benefits of Co-operation

Farmers need, as much as any others, to co-operate, and no doubt the Killen farmers will talk cooperation at their luncheon meetings. At Crystal City, spinach had fallen to 35c a basket with every prospect that it would go lower and with the bulk of the crop not harvested. The growers got together and fixed definite marketing rules. The price was advanced almost immediately until 65c and 75c a basket was realized, a fair price for the product. 'In union there is strength.'

### Gaudalupe River Survey

The Federal government is making a survey of the Gaudalupe river from its mouth to Cuero. At one time the river was navigated as far as Victoria. While the engineer in charge of the survey says it is for the purpose

of ascertaining if there is a four foot river navigation depth, Cuero citizens are hopeful that the project may establish the feasibility of a nine foot canalization of the river, thus fixing possibilities for a combination of practical uses.

### Demonstrating Farm Success

J. P. Jameson, living near Dilley, is making a practical demonstration of diversified farming. He maintains a flock of about 1000 hens, from which he has sold more than 11,000 dozen eggs during the last year at an average of 34.8 cents a dozen. Except for a moderate amount of commercial mash, he raised hedges and milo maize for grain feed, also feeding skim milk from several good milk cows which furnished milk and butter for family use and some to sell. He raised 19 head of hogs and operated his own chicken hatchery. It is easy to understand that he is not complaining of the hard luck of farming.

### Town and Country Unite

At a recent meeting of the Floresville Chamber of Commerce approximately 300 were in attendance, about half of the number being farmers who have joined the organization. A tamale supper preceded several short talks from business men and farmers. It is safe to say that if these meetings which are to be held monthly, are kept up, the entire county will profit by them. Such gatherings strengthen the trade and the good feeling between town and country.

### Miniature Golf Links

Miniature golf is the latest fad. Town block imitations of the real thing are to be seen in many places, and a number of hotels are establishing them for their guests. While an entire block is better, even smaller plots may be used. Stone, cement, wooden obstacles and sand piles are used. While the main rules of golf are followed, the miniature golf courses present more the appearance of cluttered croquet grounds. The game is far less exhausting and much more economical than that of the large golf courses.

### Wisconsin Methods

The Wisconsin Real Estate Board thought to stop Wisconsin farmers from coming to Texas by prohibiting certain realtors from operating in that State in the sale of Texas lands. The secretary of the board came to Texas with a train load of prospectors. He saw Texas, was convinced bought 10 acres of Rio Grande Valley land, returned to Wisconsin, and was promptly fired from his job for buying land in Texas. He will be welcomed back to Texas and it is highly probable that many others will come with him. Even Wisconsin folks know a good thing when they get a chance to see it. That Wisconsin board threw a mighty boomerang.

### Do You Want To Attend A Business College

Realizing that a great number of young people are deprived of an opportunity of attending a business college because of the lack of money, our STUDENT LOAN FUND ASSOCIATION was created for the express purpose of furnishing the necessary help to worthy boys and girls. We have selected the Tyler Commercial College of Tyler, Texas, as the college we can most consistently recommend. This is one of the oldest business schools as well as one of the most widely known for its thorough work and its successful graduates out in the world of business.

We have made arrangements with the Tyler Commercial College by means of which we can take care of a limited number of young people through our loan fund.

If you are in good standing in your community and can furnish the best of references, we shall be glad to help you. We have helped a number of deserving young people in the past who are now independent wage earners and enthusiastic boosters for our Association.

We are especially interested in helping young men and young women who have been forced, on account of financial reasons, to drop out of high school or college.

In order to receive help from this Association it is only necessary to clip the coupon attached and mail it to us or to the Tyler Commercial College. We can then work out a plan whereby you will be enabled to enter the College even though your funds are limited.

Clip out the coupon and mail it today either to Tyler Commercial College, Tyler, Texas, or to

# CULTIVATES and CHOPS...

a Practical Cost Reducer

THE Case Cotton Chopper and Cultivator is a practical cost reducer for cotton farmers. With nine sweeps, each chopping twice as much as your best field hand, you save a lot of time, and a lot of expense. You can forget your cotton chopping labor problem with this machine on the job.

With a simple wedge clamp, sweeps are quickly and easily spaced—just as you want them. Convenient hand lever regulates depth. Master lever raises and lowers all shovels together.

The Case Cotton Chopper is a dual purpose machine. It first spaces the cotton and can then be set for weed killing and cultivating. Soon pays for itself by cutting costs and increasing yields. Sturdily built—few parts—simple to operate. An easy pull for 2 horses or mules.

Come in and look it over—we'll gladly demonstrate this machine to you.

## Chevrolet announces

### A NEW

## SERVICE POLICY

The Chevrolet Motor Company and its dealers are pleased to announce a new service policy—one of the most liberal ever offered on a low-priced automobile.

Put into force as a written agreement given to the purchaser by the Chevrolet dealer when the car is delivered—it offers the following provisions:

**1** Every Chevrolet owner receives his car from the dealer in perfect condition—thoroughly lubricated, properly adjusted, and ready to operate efficiently from the first mile of ownership.

**2** Every Chevrolet owner is entitled to free inspection and adjustment of his car at the end of the first 500 miles of usage.

**3** Every Chevrolet owner is entitled to free inspection of his car every 1000 miles thereafter, so long as the car is in operation.

**4** Every Chevrolet owner is entitled to free replacement of any part which may prove defective in workmanship or material, within the terms of Chevrolet's standard warranty. This includes both parts and labor.

**5** Provision number 4 will be carried out by any Chevrolet dealer in the United States. As a result, the Chevrolet

owner may travel to any part of the country, with assurance that the guarantee on materials and workmanship will remain in force.

This new policy constitutes proof of Chevrolet's high quality—for such liberal provisions could only be made in connection with a car built of fine materials to exacting standards of workmanship.

Back of this policy, and assuring its successful operation, is one of the most complete and efficient service organizations in the world.

There are more than 10,000 Authorized Chevrolet Dealer Service Stations in the United States alone. Each employs skilled mechanics thoroughly trained at Chevrolet Service Schools. Each has specially designed tools and machinery developed exclusively for Chevrolet service work. And each has on hand, at all times, an adequate stock of genuine Chevrolet replacement parts.

Chevrolet's flat-rate charges, including both parts and labor, are the lowest in the industry on many service operations!

In considering the purchase of a low-priced automobile, think what this service means—in terms of lasting satisfaction, as well as in increased economy.

## HALF INTEREST SOLD IN DISCOVERY WELL

DISCOVERY TRACT INTEREST IS  
SOLD TO EDWARD E. ERTTEL  
AT TAYLOR

(Taylor Press)

Details of the most important transaction since the opening of the Williamson county oil field were completed here today whereby a one-half interest in the Abbott discovery gusher and a full seventy acres of the Abbott discovery tract passed into the hands of Edward E. Erttel.

By the acquisition of these properties, the heart of the great field between the discovery well and the Wilson-Sconyers gusher becomes the property of the man who first invested money in the drilling of the Abbott

discovery well down to a depth of 1157 feet.

And the Abbott well, over which Erttel and his associates worried and labored for three months, becomes his to the extent of a full one-half interest together with the full interest in the Abbott 71 acres.

The property included in the transaction is considered to be located along a half mile of the top of the structure and to be large enough to accommodate the drilling of at least twenty wells. Three of these Erttel wells, Mr. Erttel says, are to be started at once; one of them offsetting the Wilson-Sconyers gusher; the second offsetting the discovery well, and a third to offset the Link-Simon well upon its being completed a producer.

It is probable, it is stated, that at least five more wells will be started in the near future in the event wells are completed east of the Abbott boundary line in the McConnell tract.

It was announced at the Erttel offices immediately after the consummation of the purchase, that all boundary lines of the Abbott tract would be protected immediately after offsetting wells are completed.

The acquisition of this valuable property by Edward E. Erttel brings his newly bought holdings in the field and along the structure to approximately 500 acres—more than 80 acres of which are located squarely in the area of the heavy production.

Erttel's McConnell No. 1 well, located in the center of the McConnell tract and practically midway between the discovery gusher and the Wilson-Sconyers well, is drilling at present below 300 feet and logging almost identically with the discovery well.

A second location has been made for the Erttel-McConnell No. 2 well on this tract a few hundred feet east of the McConnell No. 1. With these two wells and the third about to be started on the Abbott tract, the Erttel interests expect to have their first well completed and four additional wells drilling within the next ten days.

The progress of Edward E. Erttel in the Williamson county field has been meteoric since he first came to Taylor. Associated with J. C. McNeill, George B. Peterman and Joe Mills, Erttel was among the first to finance the starting and drilling of the Abbott discovery well down to a depth of 1157 feet, where an interest in the well and two and a half acres were sold to E. L. Chapman, who financed the drilling of the well the remaining 784 feet—until it came in a gusher at 1834 feet.

Following the closing of the negotiations here today, J. C. McNeill and Geo. B. Peterman gave out the following statement:

It is with pleasure for us to see this rich property pass into the hands of Mr. Erttel. It was he who first financed the drilling of the discovery well down to 1100 feet. He is far better financed than we are to continue the development of this great field, and we feel that the properties he has bought today will produce a tremendous amount of oil.

### Chevrolet Six Wins In Los Angeles Race

Los Angeles, March 24—Competing against a field of 41 other entrants, a 1930 Chevrolet six cylinder coach, driven by Mrs. Paul A. Lawrence of Los Angeles, won the sweepstakes and first place in its class in the annual Gilmore Blue-Green Economy run here February 14.

Every type of road and grade was encountered in the run that covered 200 miles between Los Angeles and the Wrightwood mountains. Mrs. Lawrence's Chevrolet demonstrated its economical operation over a course that included city traffic, country roads and mountain stretches along a circuitous route rising from sea level to an elevation of 6000 feet.

To win the event, the Chevrolet coach traveled 36.71 ton-miles to the gallon of gasoline, averaging 20.5 miles to the gallon for the 200 miles traversed. The total weight of the Chevrolet coach, with its driver and four passengers was 3580 pounds. No oil and no water was used during the run.

The economy test was staged under the supervision of the American Automobile Association, sanction number 2306 and was limited to stock cars. Six classes of cars were represented among the 42 entries. The Chevrolet coach, with Mrs. Lawrence at the wheel, not only won first place in its class, but, in addition, won the sweepstakes for all classes.

President Hoover's special session has gone into history, but no one will ever know what it accomplished. The fact is, most of us have forgotten what it was called for. Now, the regular session will soon be on two months and not even any oratory worth mentioning. They are like the man in the woods. They are lost and running in circles.

## From the Files of The Cameron Herald

28 Years Ago

Messrs. John H. Bickett, W. W. Chambers and W. T. Hefley are in North Texas this week.

R. L. Batte left last Sunday for West Texas to look after his stock interest in that section.

John Henry Thomas is recovering from a severe spell of pneumonia. The little fellow suffered intense agony for several days and his life was almost despaired of.

Hon. J. M. McKinney of Jones Prairie was in Cameron for a few hours last Wednesday.

Mrs. J. M. Hooks is quite sick this week and her uncle, Dr. Vol Reed, of Holland, is here to see her.

Grandma Homan died last Saturday at the home of her son, Hon. W. K. Homan, in Colorado City, Texas.

Hon. T. S. Henderson spent several days in Waco this week attending the ceremonies of laying the corner stones of the Carroll buildings at Baylor University. He was one of the speakers on that interesting occasion.

Miss Mary Rogers is visiting relatives and friends at Holland, Bell county.

Pat Womack and bride spent a few days last week in Cameron visiting relatives and friends. He was married on the 16th of last month to Miss Plumlee of Cleburne. Pat is now with the I. & G. N. railroad and is located at Palestine.

Among the social functions of the season none stand out more prominently for pleasure than the tea given by Mrs. J. D. Hefley, on last Tuesday afternoon. Quite a number of the ladies

of Cameron availed themselves of this opportunity to pay court to Mrs. Hefley's hospitality and this charming hostess never shone to more advantage than on this occasion where she made every one feel the inspiration of hearty good cheer. The Hefley home is an ideal one, and she who graces it as mistress is in every way fitted to be what she is, one of the social leaders of our little city.

## APRIL FOOL

The first day of April or 'All Fool's Day' has long been in the United States and for a still longer period in many European countries, a day for mocking people by sending them on bootless errands or by making them the victims of some other kind of practical joke.

Grimm, the German fairy tale writer, speaks of the custom as having been introduced into Germany from France in rather modern times. It at least is not an incident custom.

One writer traces its origin to the miracle play formerly presented at Easter time, which often showed Christ being sent from Annas to Caiaphas and from Pilate to Herod. Another says that it found its origin in the Huli festival of the Hindus on March 31 or in the Feast of the Fools celebrated by the Romans on February 17.

In France the victim is called 'un poisson d'avril' or 'An April Fish.' This possibly comes from the opening of the fisheries at that season. In Scotland one is called a gowk or cuckoo.

Make an investigation of any condition about which there is complaint and it will be found that the people themselves are responsible for it. If a trust has reached a position of power and chooses to exort from the people unreasonable profits because it is able to do so the people complain, but the people are responsible for the trust. They have made the trust possible by withholding their business from the little fellow and throwing it to the big fellow making him bigger and stronger and more powerful. If an unsanitary condition results in disease and epidemics that cause loss of life and people complain but the causes that led up to the epidemic are the fault of the people. The human race digs its own pitfalls and lays its own traps and its members having walked into them immediately sets up a howl for some one to come and help them out.

Lindbergh continues to hold his place in the hearts of American people. He has continued to be the popular idol longer than any other man who has occupied this difficult role. The reason that the Colonel is able to retain the good graces of the public for such an extended period is that he keeps the public at arms length. As long as Colonel Lindbergh can do this he will hold his place as America's most popular idol.

Figures on the annual per capita consumption of candy just issued by the Department of Commerce remind us again that this is a great country. Although we spent nearly a billion dollars for confectionery last year this enormous sum was divided among such a large population that, speaking in averages, each of us spent for candy only a little over 2 cents a day.

Speaking of humor in its purest and simplest form, how is this one by Heywood Brown, writer for the Outlook and Independent: 'America suffers from an exaggerated respect for authority of all sorts.' If America is really suffering for anything one thing is certain and that is that it is not an exaggerated or any other kind of respect for authority.

John N. Willys, automobile manufacturer tells President Hoover that 500,000 more automobiles will be produced this year than were turned out last year. If this is true some of us who figured on keeping the old bus another year will have to change our plans and turn it in on a newer model.

The Santa Fe railroad is placing this year \$7,000,000 worth of new equipment in service on the Chief, the company's extra fare train between Chicago and Los Angeles. It is stated that it requires ten complete trains to keep the Chief moving.

More than 7800 miles of Federal-aid roads were built in 1928. In all,

74,783 miles of roads were improved during the year, according to the Bureau of Public Roads, of the U. S. Department of Agriculture.

Some good authority notes that the battle is not to the strong nor the race to the swift, but no one anywhere has ever said that the rewards do not come to the efficient.

At a certain period in the history of the race the inventive genius of man devoted to the construction of devices of torture. The rumble seat is a hangover from this age.

A Wichita boy of 15 was arrested recently for being drunk and speeding 45 miles an hour in a stolen car without lights. It looks as though the police had it in for him.

## FROM THE MAIL BOX

Cameron, Texas, March 23, 1930.

Mr. J. B. White,  
Editor, Cameron Herald,  
Cameron, Texas,

Dear Sir:

Being a reader of The Cameron Herald I would make this suggestion. That you ask and request thru The Herald the readers of said paper, the women in particular, when buying Spring clothes to give cotton their preference, before silk and rayon. As you know every person's buying power is gauged by his income. The cotton mills at present are buying less raw cotton and weaving less cloth than one year ago. If all of us would and we can, increase the demand for cotton goods, believe business would be up considerable.

Some city folks are displeased with farmers for over-production of cotton. Let me give you an instance of my experience. Two years ago I decided to raise something besides cotton. Bought a couple shoats, paid 10 cents per pound for them, after fattening them, the most I could get was six cents. With best wishes to The Herald, I am,

E. C. DURNIE,

Box 766, Cameron, Texas.

Mr. Durnie encloses the following clipping which will be of interest to the readers of The Herald:

## WEAR MORE COTTON

This is the time of year when the farm woman along with the rest of womankind thinks of new clothes for herself and the children. We may feel that we should not spend much for clothes but with the styles so changed most of us will manage to have a few new dresses.

Suppose we use cotton material this spring. It is really very fashionable as well as the least expensive fabric available and is made in such varied colors, designs and weights that suitable material may be had for a frock for any occasion.

Suppose we get away from the habit of buying cotton only for house dresses and using rayon and silk, most of which is imported, for all other wear.

Many of us buy homegrown products of other kinds in preference of foreign goods, but never think of homegrown products when buying clothing, an important item in any family's budget.

Let's think it over, look at the attractive display of cotton fabrics the next time we go to town and do our bit to help our own financial situation.—Rachel, of Washita county, Oklahoma.

## CARD OF THANKS

We desire to extend our heartfelt thanks to our neighbors and friends for their kindness and words of sympathy during the illness and death of our beloved son and brother, Herman Bruder. We thank those who gave flowers and all who in any way assisted us during this sad hour for all of us. We will remember always the kind thoughtfulness of our friends and neighbors.

## JONES PRAIRIE

By MRS. R. K. FONTAINE

Mrs. Newt Canady and children and Mrs. Orvil Canady and children spent Thursday afternoon with Mrs. Jim Fontaine.

Connie Mae and Durward Hickman spent the week end at home.

Mr. and Mrs. Rodney K. Fontaine, Joy and Billie Fontaine, Mrs. Amos R. Carlson and daughter, Norma Clair of Detroit, Michigan, Mr. Roy Little of Belton enjoyed a turkey dinner at the Dr. W. J. Fontaine home Sunday.

Miss Maudie Canady and Rosa White spent Saturday night at the Birt Thrasher home in Cameron.

Misses Woods and Meadows of Waco were Sunday night guests of Miss Edna McKinney.

The girls who sang at the County Meet enjoyed a slumber party at Mary Tom Stidham's Monday night.

Mr. and Mrs. Pery Tindall and family of Calvert visited in the community Sunday.

Mrs. Albert Yager shopped in Cameron Monday.

Bill Fontaine spent Monday night in Cameron.

Misses Eloise and Lois Glass of Waco, whose parents are missionaries in China were guests of Mrs. T. B. Stidham last week.

Grady Stidham and family were visitors at the Ben Stidham home Sunday.

Miss Roxie Fontaine celebrated her tenth birthday Sunday with a picnic dinner in the woods. Several of her friends enjoyed the feast.

The Cheer-Up Band from Waco accompanied by some of the Little River church members put on a program at Clarkson Sunday afternoon.

Miss Marrietta Boyd and Boyd Chambers of Walker's Creek were guests in the Harper home Sunday.

Miss Shirley and Mr. Vandervauld of Waco were guests in the home of Miss Ethel McKinney Sunday night.

Mrs. J. S. Henderson of Sherman is visiting her mother, Mrs. P. H. McKinney.

Misses Jackson and Cross of Waco were guests in the J. H. Burnett home Sunday night.

Mrs. C. C. Black and son, Billie were Tuesday dinner guests of Mrs. Rodney Fontaine.

Mrs. Amos R. Carlson and daughter Norma of Detroit, Michigan, left Wednesday for a visit in the Valley after spending a month with her sister, Mrs. Rodney Fontaine.

Dinner was enjoyed at Little River Sunday by our community and neighboring communities.

The Worthwhile Club met Tuesday March 25 with Mrs. W. J. Fontaine. Thirteen members answered to roll call, one visitor—Mrs. Amos R. Carlson, of Detroit, Michigan, was present.

The following program was enjoyed: Dietary reasons for having a Spring garden, Mrs. T. B. Stidham. Some suggestions in the prepara-

tion of vegetables, Mrs. Davis Black. The coming budget and what it means to us, Mrs. A. R. McLerran. Demonstration (winter salads), Mrs. Albert Yager.

At the close of the meeting Mrs. Carl Black was presented with a green glass ice tub as a gift from the club ladies. Club adjourned to meet in April with Mrs. Will Harper.

## MRS. GRAHAM GILLIS IS HOSTESS TO HISTORY CLUB

Mrs. Graham Gillis was hostess to the Cameron History Club Tuesday afternoon when fourteen members were present and one visitor, Mrs. Cooper of Temple. Mrs. Wm. Henderson was leader for the afternoon with Mrs. E. A. Wallace her assistant. Mrs. Wallace gave two discussions, the first being from an article concerning the war which American women are making on Paris styles, and the second about the census report. Mrs. Wallace gave valuable information on the necessity of answering questions that are asked and on how to fill out the reports. Mrs. Henderson gave a resume of an article by Beverly Stark appearing in the Mentor on 'Our Colleges,' a comparison of colleges of today and yesterday.

A parliamentary drill conducted by Mrs. Jeff Kemp was scheduled in the Year Book for this meeting, but Mrs. Kemp substituted for it an article by Judge Mathis on 'What to do with the Delinquent Negro Girl.'

During the social hour following the program, the guests were served

a salad course and hot tea. The Gillis home was decorated with violets, iris, and climbing periwinkle in shades of purple and lavender.

## MRS. T. A. FISHER HOSTESS TO FORTY-TWO CLUB HERE

Margaret Fisher, dressed in overalls and straw hat, received guests last Thursday afternoon when her mother, Mrs. T. A. Fisher, entertained members of the 42 Club with a cleverly appointed 'garden' party. Using spring colors of white and green, Mrs. Fisher placed to advantage baskets of wild haw blossoms and bridal wreath about the rooms where tables were placed for games. Tallies and score pads were decorated with pictures of flowers and vegetables taken from seed catalogues and the tables were numbered by means of these pictures also.

Following the games the guests were served a salad course and iced tea on trays that were centered with trowels tied in white and green ribbons, these being given as table favors. Plate favors were scar-crows fashioned of jelly beans and tooth-picks.

## GAUSE 4-H CLUB

Gause 4-H Club met Wednesday, March 18. We had a nice meeting. All the girls answered with a good report of what they had done since last meeting. We are getting along better in our work this year than we ever have. There were about five

girls who have finished their first year's work.

Opal Stovall had a very good report this meeting. She is doing fine. She has most all of her garden planted and up. She has thirty feet of lettuce, fifty feet of cabbage, seventeen feet of carrots, fifty feet of beans, 150 onion plants, fifty feet of beets and fifty tomato plants. Mae Buffington, Opal Carroll and other girls are doing fine in their gardens too.

Miss Bartholomew showed us some patterns of dresses in which we could select to make our dresses. She helped us cut out our underwear and showed us how to work button holes.

We closed by singing the song as follows:

## The Four Leaf Clover

I know a place where the sun is like gold and the cherry blooms burst with snow and down underneath is the loveliest neck where the four leaf clover grows.

One leaf is for hope and one is for faith and one is for love you know and God put another one in for luck if you search you will find where they grow.

But you must have hope and you must have faith, you must love and be strong and so if you work, if you wait, you will find the place where the four leaf clovers grow.

Henderson has a lot of them licking out of his hand. There is a new crop born every minute and what are you going to do about it?

## The Peddler's Overhead

AS we were coming back to the store after lunch today WE saw an athletic appearing young fellow carrying a HEAVY case of some kind and going from house to HOUSE ringing the door bells and we knew that another ONE of those agents had hit town and was telling the HOUSEWIVES how he could sell good merchandise for LESS than the home town merchant because he has no OVERHEAD expense, no rent, no clerks, no taxes, and no LARGE stock to carry, but we noticed that this bird MADE about twenty calls for every sale and it struck us THAT the twentieth lady who bought paid the salesman FOR his time in calling on the nineteen who did not buy.

## 'END STRIFE' DECLARES LYNCH DAVIDSON

MOODY PETULENT BOY AND JIM  
POLITICAL PUG DECLARES  
FORMER CANDIDATE

Houston, March 26.—Calling Dan Moody a 'petulant boy' and James E. Ferguson a 'political pug,' former Lieutenant Governor Lynch Davidson issued a statement today urging Texas voters to 'put an end to the personal and factional strife which is swallowing up all hope of state progress.'

Recalling past warnings, Mr. Davidson said that 'unless Texans this year use their thick stub pencils to sweep from the political picture every man who tunes his campaign music to the

Assassin's Song, we cannot justly hope for sound state government.'

'The Marathon Legislature has ended with a requiem for prison concentration, judicial reform, tax equalization, farm relief and a score of other achievements so often pledged,' said Mr. Davidson's statement.

'On the one hand we see a petulant boy, blaming the legislature for damage to his playthings, which he himself has broken up; on the other, that crafty old political pug, James E. Ferguson, fondly hoping that this statehouse bout will be but the 'preliminary' to a knockout political victory for himself.

'This is at once absurd and distressing. But it is not surprising. It is the inevitable result of a weakness in our primary system which allows a handful of voters, blinded by the flares of spectacular combat, to dictate our choice of officers without a single fleeting glimpse of the real issues, hidden in the smoke.

'Thoughtful men and women all over our State foresaw this in 1924 and again in 1926. They pledged for a new day. I joined my voice with them. From one end of the state to another, in my 1926 campaign for governor, I warned of the danger of putting passions ahead of judgment. For just one example, take this excerpt from an Associated Press dispatch, from Denton, July 10, 1926:

'Lynch Davidson declared in an address here Friday night that the election of either Governor Miriam A. Ferguson or Attorney General Dan Moody as governor will mean two years of factionalism at the State Capitol. Bitterness bred during the present campaign, he insisted, will continue, forbidding a business administration, which, he said, was becoming vitally necessary for the economic salvation of the State.'

'I lay no claim to prophecy. The above was merely what all those who looked past the smoke and fire could see. I repeat it now in the very earnest hope that Texans everywhere, in the coming campaign, will see the same significant warning. And I repeat it with the urgent hope that they will put an end to the personal and factional strife that is swallowing up all hope of state progress.

'Moody's two administrations have failed to carry out one major paragraph of his promised program. This is not surprising. In fact, the reverse would be surprising. Why? There are two main causes.

'First, Moody himself, too young in years, younger still in experience, for his job, arrogant, unskilled in the art of agreement, and lacking in the seasoned wisdom and poised determination necessary for leadership. He blames the legislators. But when has a legislature followed out a governor's program except when the governor proved his right to leadership by proving his own capacity? James Stephen Hogg so won his leadership. But can you imagine Hogg whining that the legislature treated him with 'small boy contempt,' as Moody com-

plained in a recent inspired newspaper article?

'This cause of his troubles we can hardly expect Moody to admit. But he has already admitted the second: That Jim Ferguson has usurped the leadership! Less than two weeks ago Moody made this confession openly. Clothed in the vast advantage of his high position, he is driven to admit that the man he defeated only four years ago, has after that short time, come back to master him in his own castle.

'And now this petulant boy and his revengeful adversary are arming once more for the sort of fight which they hope will bring votes by obscuring the failures of both combatants. Let us unite to inform them that their fight will bring no gate receipts. Let us inform every candidate that Texas is through with putting into high office men whose chief claim is that of being a good antidote for some other man. Let us call for men who can help the State, not merely hurt their enemies.'

## Jamison vs. W. W. Cox Case Set March 31st

The case of J. A. Jamison vs. W. W. Cox set for Monday, March 31st. Suit is founded upon alleged personal injuries sustained by plaintiff for an alleged unprovoked assault upon by defendant at plaintiff's home near Jones Prairie last fall. The case was tried at November term of court but no judgment was rendered on account of conflicting answers by the jury to the questions submitted for their answers, which required the court to grant a new trial.

Steve, 'Don't you think the flaming youth type of college student is passing?' Shammy, 'No, flunking.'

## THE QUALITIES OF LEADERSHIP

By JOHN G. LONSLADE  
President American Bankers Association

Leadership and success, in a general way, are synonymous. They are both founded upon simple codes of thought and action, upon the realization that he who wins the laurels must be a doer, not a waiter, that application of energy, not time or luck, is what counts most. A rabbit's foot is a poor substitute for horse sense.

John G. Lonsdale

Both success and leadership, if they be of the highest quality, are the result of service to humanity. Service has been aptly described as "the supreme commitment of life." Analyze the lives and times of all great leaders of history and you will find that those whose names are enshrined in the hearts of their countrymen are those who sought to render a needed service to the populace.

Leadership, like success, need not, however, be international or national to achieve great results. There is room for each of us to be a leader in his community, in his work, in his church, and in various organizations.

One of the indispensable qualities of leadership is the ability to persist steadfastly in the face of discouragements. If George Washington had not possessed the quality of persistence, he and his soldiers would never have survived the hunger and privations which were theirs at Valley Forge.

We have too many young men and young women these days saying a job cannot be done. Too many spend their time explaining why a thing can't be done, instead of saying, with firm resolve, that it can be done, and then going out and doing it. Anything that ought to be done is capable of being done. And anything worth doing at all is worth doing well. The fellow who handles a little job in a big way is always on the road to greater fields.

## BANKERS STUDY CHAIN BANKING

The Economic Policy Commission of the American Bankers Association has been specifically instructed by the general convention of the association to study and report on chain and group banking developments, and also on the proposal of the Comptroller of the Currency for the extension of branch banking in the national banking system, to permit those banks to conduct branches in the trade areas surrounding their locations.

R. S. Hecht, President Hibernia Bank and Trust Company, New Orleans, Louisiana, is chairman of the commission. The members are: George E. Roberts, Vice President National City Bank, New York, N. Y., vice chairman; Nathan Adams, President American Exchange National Bank, Dallas, Texas; Leonard P. Ayres, Vice President Cleveland Trust Co., Cleveland, Ohio; Frank W. Blair, Chairman of Board Union Trust Company, Detroit, Michigan; Walter W. Head, President Foreman State National Bank, Chicago; W. D. Longyear, Vice President Security-First National Bank, Los Angeles, California; Walter S. McLucas, Chairman of Board Commerce Trust Company, Kansas City, Missouri; Max E. Nahm, Vice President Citizens National Bank, Bowling Green, Kentucky; Melvin A. Traylor, President First National Bank, Chicago; Paul M. Warburg, Chairman of Board International Acceptance Bank, New York, N. Y.; O. Howard Wolfe, Cashier Philadelphia National Bank, Philadelphia, Pennsylvania; Garden Edwards, American Bankers Association, New York City, secretary.

A survey showing the extent to which chain and group banking has developed in the United States has been made and issued in booklet form by the American Bankers Association of New York City.

The ponderous efforts we make to save the country, do not seem to have much effect.

The idea is to leave room for plenty of argument.

## Commercial Club To Elect Officers And Directors Monday

Semi-annual election of officers and directors for the Cameron Commercial club will be held on Monday night, March 31st. Arrangements for the meeting were made at the Monday night meeting of the club.

A committee has been named to secure a speaker for the occasion. A committee has also been named to make nominations for the offices to be filled.

The secretary has been instructed to mail cards urging the members to attend the meeting.

## MATRON'S CLASS CHRISTIAN CHURCH GIVEN SOCIAL

Members of the Young Matron's Class of the Christian Church, with their husbands as guests, enjoyed their quarterly social meeting last Friday evening at the home of Mrs. H. E. Garner, with Mesdames Garner, Hardigree, Lovick, Young and Copus as joint hostesses. There were no business attended to, as these meetings are purely social in nature. Various games were enjoyed, following which the guests were served ice cream and cake.

## MRS. TERRY WILEY HOSTESS TO TRIANGLE BRIDGE CLUB

Miss Dulcie McCall made high score and Mrs. Edwin Bigbee was low, when Mrs. Terry Wiley entertained members of the Triangle Bridge Club at her home Monday evening. Awards were a dainty boudoir pillow in pastel shades for Miss McCall and a cretonne covered foot-stool for Mrs. Bigbee.

Rooms where the tables were placed were abloom with spring flowers, and the trays on which a salad course and iced punch were served following the games were centered with potted begonias, the pots being covered in green and having handles fashioned like baskets. These plants were table favors won by Mesdames Conn Moody and Edwin Bigbee and Miss Dulcie McCall.

Guests other than club members were Mrs. Edwin Bigbee, Mrs. Eulan Wiley and Miss Goldye Burke.

Bud, 'Did you get a hair cut?'

Fred, 'No I just had my ears moved down two inches.'

Slightly annoyed, 'I've just shot a dog.'

'Was he mad?'

'Well he wasn't very pleased.'

## Son's Blood Thin and His Stomach Disordered

Wichita Falls, Texas—"My son was in poor health when he was about twenty years of age. His blood became thin and he was pale. He was also troubled with his stomach and his face broke out with pimples. Finally, I decided to have him try Dr. Pierce's Golden Medical Discovery. By the time he had taken a few bottles of the 'Discovery' he was completely relieved of all these troubles, his blood became healthy, and he had no more stomach trouble."—Mrs. Beulah Singleton, 808 Austin St. Tablets or liquid, Druggists.

Write to Dr. Pierce's Clinic in Buffalo, N. Y., if you desire free advice. Send 10c for a trial pkg. of the tablets.

## DANGER HEADED OFF

Constipation Troubles Soon Go Away Following Use of Black-Draught.

Burke, Texas.—Mrs. Orea Crawford, of this place, tells of her use of Theodor's Black-Draught which she says covers a period of "a good many years."

"We use Black-Draught as a regular family medicine for constipation, and I try always to keep it in the house."

"I have found it a reliable medicine to give the children when they get upset from over-eating, or have colds, for after taking Black-Draught they get all right in a little while."

"I use Black-Draught for bilious, sick headache. I have found that a dose or two, taken at night, will give quick relief for constipation and the complications which follow when that condition runs on."

"A bad taste in the mouth in the morning, dizziness and a dull headache, all leave quickly after a few doses of Black-Draught. I find it is not safe to let such things run on. I try to head off the danger by taking Black-Draught in time. It is a dependable medicine."

At the first sign of constipation, take Theodor's Black-Draught.

This purely vegetable medicine has been in use nearly 100 years.

### GAUSE

The Epworth League will present a pageant 'Children of Light' Sunday night, March 30 at 8 o'clock at the Methodist church. Everyone is invited and urged to attend. During the entire month of March, Epworth Leaguers throughout the church to which we belong, Our Mother Methodism, and now we celebrate our fortieth anniversary with a pageant which has been prepared to show the adult church some of the work and accomplishments of the Epworth League during the forty years of its life. It has a message for the church. As the pageant begins, church shows through a series of episodes the principles of Methodism which are the heritage of the Epworth League. These principles are portrayed by living pages out of history showing interesting events from the early life of our Mother Methodism. Following this presentation of her principles by church Epworth League shows that these principles have been her own throughout the forty years of her

life. Epworth League calls upon the six handmaidens of the church, representing Spirituality, Evangelism, Missions, Social Welfare, Vision and Conservation, to testify as to her work in each of these fields. When this testimony is completed, church approves work done by Epworth League and offers whatever aid she can give.

Rev. Kendall, pastor of the Baptist church, filled his regular appointment Sunday morning but Rev. Angel delivered the message in his place Sunday evening.

The Ladies Aid met with Mrs. Harwood Monday afternoon and enjoyed a quilting party.

Miss Eloise Thompson, teacher at Cook's Point, spent the week end with her parents, Mr. and Mrs. F. B. Pitts.

Miss Nina Ruth Stubbs of Brenham visited her grandmother, Mrs. Spradley and aunt, Mrs. John Bowling.

Mrs. F. B. Pitts has returned home after visiting her mother and sister, who are ill at Stanford.

Mr. and Mrs. Tom Evans of Houston were the guests of Mr. and Mrs. A. Varner Sunday.

Mrs. Robert Obbitts spent the week end at her home in San Marcos.

Mrs. Dean Ferguson and son, Thomas Grey, and Mrs. Lizzie Tidwell attended the funeral services of Mrs. Barnes of San Marcos Sunday.

Mrs. Ira Blackman and brother, Dan Todd of Thrall visited their mother, Mrs. D. D. Todd Sunday.

Mr. Bowling of Cameron is visiting his sons here. At present he is with Mr. and Mrs. L. O. Bowling.

Mrs. W. B. Cochran and Mrs. S. R. Cochran shopped in Waco Tuesday.

Frank Eiland and friend, Alfonso Beer of San Antonio visited parents, Mr. and Mrs. A. R. J. Ealand.

Mrs. Gus Myers and nephew, Jack, of Houston visited her mother, Mrs. Fannie Cave.

J. Smith, who has been in the Cameron hospital suffering from knife cuts was able to return home today.

Mr. and Mrs. Terry Moore and children of Cameron were the guests of Mr. and Mrs. A. Varner Sunday.

Frances Moore and brothers of Hix visited their aunt, Mrs. Chas. Moore Sunday.

Mr. and Mrs. Monroe Folmer of Marlin visited their mother, Mrs. Jack Folmer.

Mr. and Mrs. J. H. Thomas shopped in Waco Friday.

Mrs. Thorpe and daughter, Mrs. Knox Tidwell of Hearne visited their daughter, Mrs. L. S. Cunningham.

Mrs. W. H. Bailey accompanied by friends, Mrs. Oala Gause, Mrs. A. Varner and Mrs. Lizzie Tidwell will go to Rockdale Tuesday to give her mother, Mrs. Bell Porter, a surprise birthday party on her seventy-third birthday.

Charlie Kilpatrick and Misses Beadie Kilpatrick and Edrie and Ariel Wilson attended Sunday school at Milano Sunday, then accompanied by Miss Elsie Hauptfleisch, attended the Marlin District Institute held at Cameron. Others present representing the Gause League were Mrs. S. R. Cochran and daughter, Oradell, Mr. and Mrs. A. R. J. Ealand, Mrs. F. M. Hauptfleisch, and daughter, Helen, Mrs. T. C. Wilson and sons, Elvis and Sylvan, Dan Todd, Eulan Cook, Juanita Thomas and Bonita Gaston. This was our first time to attend the institute but we enjoyed it very much and hope to make a better showing at the next meet.

We are anxious for the next events of county meet. So far our boys and girls have done fine. They took first place in both junior and senior singing, we knew they would do that. Cecil Cook got second place in junior boy's declaiming and the girls got third place in volley ball and are sure of second place if they can't get first in indoor baseball. Come on boys and girls, you are doing fine. Let's make higher points than Gause has ever made.

The P. T. A. will meet at the school house, Friday night, March 28 and the subject for discussion is 'Juvenile

Protection.' Every parent is urged to attend.

Mr. and Mrs. Jim Walston are the proud parents of a new girl.

### MAYSFIELD

Mr. and Mrs. Albert Triggs of Jacksonville are visiting her mother, Mrs. R. B. Mayes, this week.

Bob Massengale of Baytown is visiting his parents, Mr. and Mrs. H. W. Massengale.

Mrs. J. K. Barmore and Miss Jane McCulloch were business visitors in Waco Tuesday.

Miss Ruby Nolan visited in the home of Mrs. V. I. White this week end.

Rev. Nicholson called on H. L. Atkinson Monday morning. He also attended the preacher's meeting held every Tuesday morning in Cameron.

Rev. R. L. Nicholson motored to Rockdale Wednesday with Birdie Una Massengale and Ruby Nicholson, the two juniors in the spelling contest from Maysfield high school.

Mrs. Yates of the Maysfield faculty called at the Manse Tuesday morning.

Mr. and Mrs. Weems and children attended the County Meet at Rockdale Friday.

The Ladies Aid was scheduled to meet in the home of Mrs. Cooper on Wednesday of this week but Mrs. Cooper's daughter is a spelling contestant in the County Meet and she will take her to Rockdale Wednesday. The Aid will meet in the home of Mrs. Wm. Freeman instead of Mrs. Cooper's.

Mrs. W. M. Waits and children, Misses Velma and Evelyn, visited their daughter and sister in Temple, Sunday.

Miss Mildred Ditto was a guest of Miss Ethel Mae Hickman Saturday night.

Misses Ila and Eva Vaughan of Bama accompanied Miss Mildred Ditto to her grandmother's home in Maysfield Sunday afternoon and attended preaching services at the Presbyterian church.

Mrs. Tom Floyd and children, accompanied by Misses Mildred and Grace Thweatt, spent Sunday in Rogers, visiting Mrs. Ray.

Mrs. John Thweatt and children, Jimmie, Wayne and Bettie Jo, were Sunday guests in the home of Mrs. Tom Thweatt.

Mr. and Mrs. H. L. Yager and son, George, spent the week end with relatives in Austin.

Rev. and Mrs. R. L. Nicholson and daughter, Ruby, accompanied by Miss Mildred Massengale and Crockett Kenyon, motored to Rockdale Friday where Ruby was a junior high school declaimer at County Meet.

Mrs. Eva Todd is visiting her father, Mr. Charlie Butts.

We congratulate Branchville, our neighbor school on the success of her declaimers at County Meet. Maysfield didn't get any special honors, but she is proud of her contestants' work and hopes to see them do better next year. The junior won third place in the county and she had never heard of the piece she recited until Wednesday morning before County Meet on Friday.

### PRESBYTERIAN AUXILIARY

Circle one of the Presbyterian Auxiliary met Monday afternoon with Mrs. John Watson for Bible study. Mrs. C. W. Lawrence led the lesson from the third and fourth chapters of the Book of Acts. Circle two met with Mrs. Ben Atkinson, who also led a Bible lesson from the same reference.

Next Monday afternoon a fifth Monday social will be held at the church, and a free will offering will be taken.

### MISSIONARY SOCIETY

Ladies of the Episcopal church Auxiliary had charge of the program in the mission book which they are studying jointly with the members of the Methodist church Missionary Society at their regular meeting Monday afternoon at the Methodist church and a very interesting and profitable lesson was taught, the first chapter by Mrs. R. P. Jeter and the second by Mrs. J. P. Love.

### METHODIST CHURCH

The subject of the sermon next Sunday at 11 a. m., will be 'The Need of the Hour-Holy Passion.' The pastor is anxious that every member of his church hear this sermon and as many others who will come. Instead of a sermon at the 7:30 p. m. hour, the Epworth Leaguers and their friends will give a beautiful pageant portraying some of the activities of the church and their society. This is the occasion of their annual Anniversary Day and the incidental collection on that evening will be applied to the advancement of their work. The public will enjoy this. All are invited.

Our Sunday school increases in interest and numbers; including about forty visiting Epworth Leaguers our attendance almost reached the 400 mark. That is very encouraging, as well as the fact that all the churches had a material increase in their Sunday school attendance last Sunday. We invite any and all, children and adults, who are not now members of any other school in our community to come and join one of our classes, a brotherly welcome awaits them. Our Sunday school begins at 9:45 a. m.

C. A. LEHMBERG, Pastor.

### BAPTIST W. M. S.

Members of the W. M. S. of the Baptist church met in circles Monday afternoon for a lesson in Royal Service. Lottie Moon circle met with Mrs. Harve Dobbins with 12 members present. The examination on the mission book recently completed was given by Mrs. R. G. McLeod, after which the Royal Service program was led by Mrs. W. M. Fannin.

Unice Taylor Glass circle met with Mrs. A. G. Button, who recently moved to Cameron from Hillsboro. There were 12 present and one new member, Mrs. H. B. McClellan. The program was led by Mrs. R. G. Grabein.

Lillie Mae Hundley circle met with Mrs. T. A. Howell with 11 members present and 3 visitors. Mrs. Mattie Shepherd led the program.

Mrs. Wilson Gunn, president of the Milam County W. M. S. met with the ladies of the Walker's Creek church

at the home of Mrs. Alva Lee Kenyon.

The Quarterly Birthday Jubilee for members of the W. M. S. will be held at the church next Monday afternoon at 3:30 o'clock at which time those ladies who have birthdays during January, February and March will be hostesses.

### CHRISTIAN CHURCH TO HOLD FLOWER SALE SATURDAY

Members of the Ladies Aid of the Christian church will hold a flower sale Saturday in the building where the Keith Electric Company is located. Pot plants and plants for gardens will be furnished by the Cameron Florist, the ladies netting a percentage on each sale made.

In addition to the flowers, there will be sold cakes, pies and sandwiches. Anyone wishing to place an order in advance for any of the articles mentioned can do so by notifying Mrs. Martin Kilian, telephone 574J or Mrs. G. C. Walters, telephone 642.

Plans for the flower sale were completed at the regular meeting of the Ladies Aid held at the church Monday afternoon. Following the business session, there was a Bible lesson from the Book of Acts led by Mrs. Raymond Beard.

### PARENT-TEACHER ASSOCIATION URGES VISITING OF SCHOOLS

Every patron of the Cameron school system is urged to visit the schools at some time during the first week in April, April 1-4 inclusive, this time having been set aside by the Parent-Teacher Association for such visiting.

One of the objectives of the P. T. A. is a better understanding between school and home. The committee making arrangements for the week of visiting believes that a visit to one's school is a friendly act of courtesy and cooperation, and that it will result in mutual help.

Beautiful home grounds give pleasure and add value to property. Valuable information is found in free catalogue of Ramsey's Austin Nursery, Austin, Texas. Write for it. 36-12tc

### HURT TO STAND

"Cardui Seemed to Build Me Up and I Was Rid of Pain," Says Virginia Lady.

Roanoke, Va.—"Some years ago, I was in a very run-down condition," writes Mrs. T. B. Akers, of 533 Nelson Street, S.E., this city. "I suffered a great deal with pains in my sides and back. Standing on my feet hurt me so much, that I would get very weak and nervous. I knew that if I didn't get something to help me, I would have to go to bed and stay there, which is hard to do for a woman who has small children. So I kept dragging about, until one day, when feeling unusually bad and discouraged, I happened to pick up a little book with a Cardui advertisement. I decided to try it.

"Cardui seemed to build me up at once, as I was able to do my work with ease, and was rid of the pain by the time I had taken six bottles. I have taken Cardui since then, whenever I felt that I needed a tonic, and it always helped me. I recommend it to my friends."

Thousands of other women have written to tell how Cardui had helped them to health.

Cardui is a purely vegetable remedy and contains nothing harmful or injurious. It may be safely taken by a delicate young girl as well as by a feeble old lady.

## HAPPY TO TELL ALL THE WORLD ABOUT KONJOLA

ST. LOUIS CITIZEN FOUND NEW  
MEDICINE TO BE ONLY ONE  
THAT MADE GOOD

After all is said and done, every medicine must meet this test: Does it make good? Konjola has made good in so many cases when all else tried has failed that it is the most

MR. THOMAS J. BIRGE

talked of medicine in America today. Take the case of Mr. Thomas J. Birge 2632 Chateau street, St. Louis, for instance. Read what he says about this master medicine:

"I am sixty years old, and most of my life, at least as long as I can remember, I had stomach trouble, and nothing helped me until I found Konjola. Imagine my astonishment when the very first bottle of this wonderful remedy started me on the road to complete recovery. Today I can eat whatever I like, no matter how rich and heavy the food, without the least discomfort. Fact is, I feel like a new man, and many of my friends to whom I recommend Konjola are as enthusiastic about it as I am."

Konjola is sold in Cameron at Geo. A. Thomas & Son drug store, and by all the best druggists in all towns throughout this entire section.

### Claim Made Man Receiving Antenna

The American Electronic Research Association has discovered that man is a walking receiving antenna. This human antenna, however, works best on a wave length of five meters. On that frequency the association says he can pick up programs as well as a wire slightly longer than eight feet. The association is seeking to determine the value of radio waves in the treatment of disease. All of which reminds us that the accomplishments and discoveries of scientists in one field often lead to important advancement in others.

France has taken a flyer in the fool business too. Everybody has the symptoms and everybody enjoys the other fellow's foolishness.

## New Theories Are Advanced About Earth

By C. E. Butterfield  
Associated Press Radio Editor  
A different theory, 'admittedly radical,' as to why the sun and the earth function as they do has been evolved in the study of radio tubes.

It has to do with the action of electrons, just like those generated in the tubes make a receiver pick up music. The theory is advanced by Lieut. H. F. Breckel of Cincinnati, section commander of Ohio and Kentucky of the United States Naval communications reserve. He is a vacuum tube research engineer and as a hobby has attempted to link 'various puzzling phenomena with the electron theory of the radio tube.'

**Makes Statement**  
The following statements are made by the lieutenant:

"My theory is that heat is received from the sun by electronic bombardment which sets up eddy currents in the earth's conducting surface and other objects thereon. This theory is in contrast to the one 'that the earth receives heat from the sun by radiation.'

"Further, the earth's rotation is caused by electronic bombardment rebounding from the half of the earth's surface facing the sun, with a corresponding greater reaction of pressure on that side as compared to the dark side."

### CARD OF THANKS

We take this method of thanking each and everyone of our neighbors and friends for their help and kindness during the sickness and death of our dear husband and father.

Especially do we thank Mrs. John and Tom Denson for their faithful service, even our loss is so great, and our burden so heavy.

We also thank those who sent flowers and hope you will be spared of this great sorrow and again we thank each and everyone for their kindness in this, our sorrow.

## HEFLEY-DOSSETT INSURANCE

50TH ANNIVERSARY

TIME-TRIED AND FIRE-TESTED

"A word to the wise is sufficient,"  
so is complete fire protection.

LET THIS AGENCY PROTECT YOU

Would you like to cook a meal  
in your own kitchen with >>>

# STARGAS?

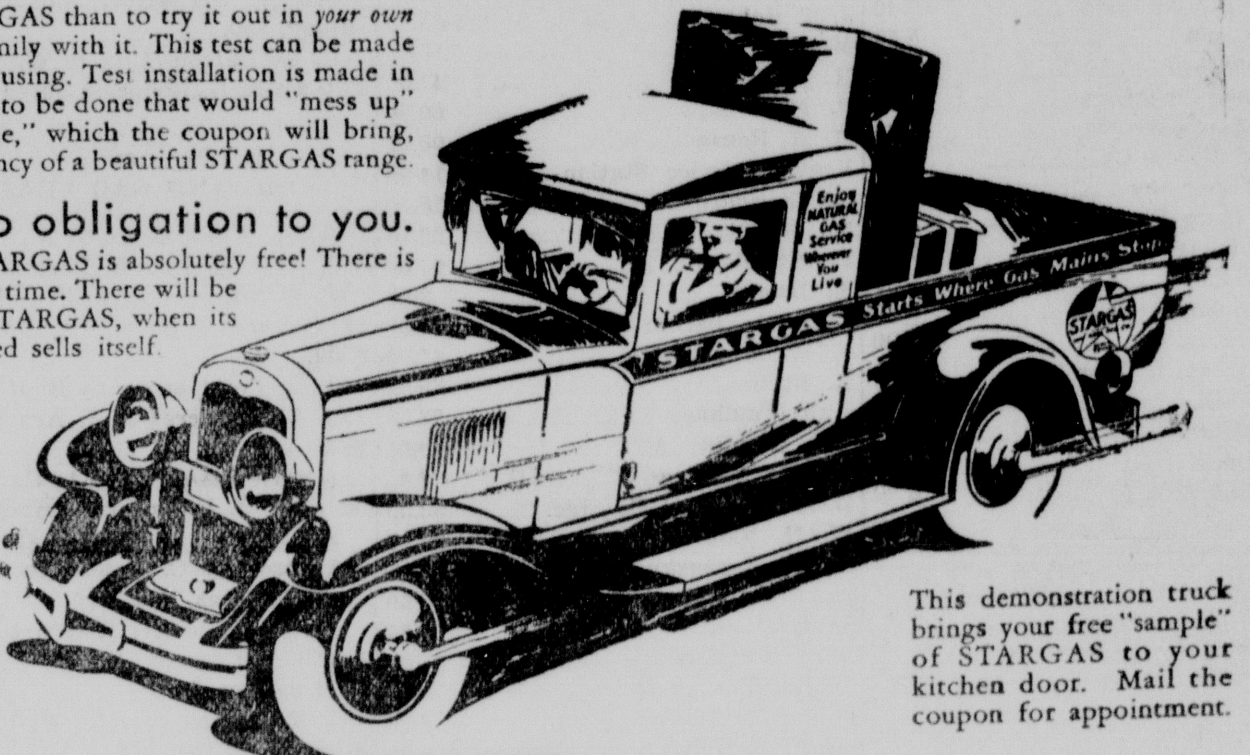

What could be a truer test of STARGAS than to try it out in *your own kitchen*? To cook a meal for your family with it. This test can be made with any type of stove you are now using. Test installation is made in less than five minutes. Nothing has to be done that would "mess up" your kitchen. Of course this "sample," which the coupon will bring, can't give you any idea of the efficiency of a beautiful STARGAS range.

There is absolutely no obligation to you.

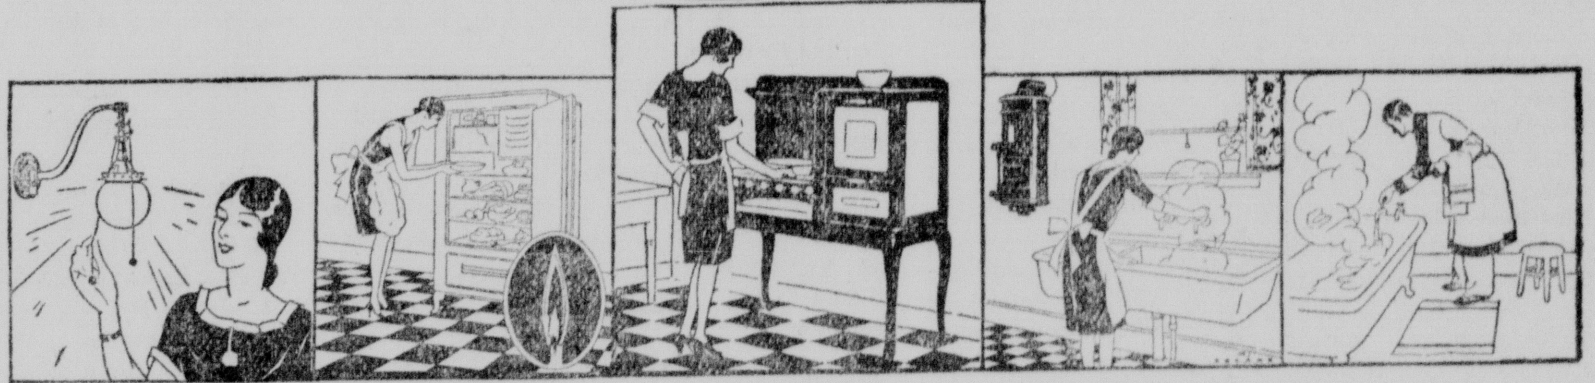

This "sample" demonstration of STARGAS is absolutely free! There is positively no obligation to you at any time. There will be no "high pressure" salesmanship. STARGAS, when its many advantages are fully explained sells itself.

STARGAS brings you all of  
these conveniences >>>

Natural gas for lights, refrigeration, cooking, heating water and ironing... no matter where you live! And remember that any time natural gas, direct from pipe lines, is available your STARGAS equipment can be easily and quickly converted to use it.

This demonstration truck brings your free "sample" of STARGAS to your kitchen door. Mail the coupon for appointment.

"We have used STARGAS a little over one month. It cooks quicker than pipe line gas, at a cost much less than we expected."

Mrs. J. K. McA., Dallas, Texas

The above was taken from one of the many letters of praise for STARGAS that are coming into headquarters. Women who have not experienced the many pleasures of cooking with gas are over-joyed with their STARGAS installations. STARGAS is so clean... always ready to go... strike a match... turn the handle... instantly you have a blue hot flame. No fussing with wicks... no running out of fuel just when the biscuits are beginning to rise... and never again will you need to get all "messy" filling fuel tanks. You can never run out of STARGAS. When the first cylinder is empty you merely turn the little lever on the second cylinder... give your local agent a ring or drop him a post card, and out comes a fresh cylinder. Each cylinder is lasting the average family about two months for cooking. After every installation, STARGAS representatives make frequent "check up" calls. This continuous, dependable STARGAS service is guaranteed by the Lone Star Gas Company. Read the letters below from STARGAS users and then send the coupon for demonstration appointment and complete information about STARGAS... the safe, reliable, economical fuel for everyone beyond the reach of gas mains.

### What others are Saying about STARGAS

Have used Stargas at my ranch house for over six months. Its performance has exceeded my keenest expectations. It has given us the comforts and conveniences of a city home, twelve miles away from the nearest railroad, but we also find that Stargas is not expensive.

Very truly yours  
E. T. L.—Webb, Texas

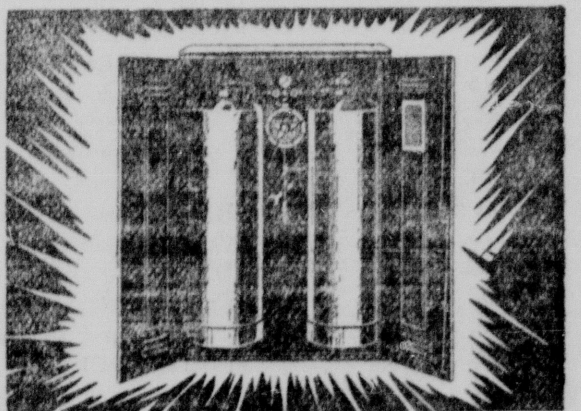

I have been using the electrolux since last June and so far have never seen its equal for farm or ranch use. We run our box from 6 to 7 weeks on one drum of Stargas.

During extreme cold weather we use very little gas, about 2 1/2 months on one drum of gas.

Yours sincerely  
T. A. B.—Sheffield, Texas

Your Stargas solved a very perplexing household problem for me. I had been able to secure at my country place all city conveniences except gas, and I had experimented with many substitutes for gas with poor success. Stargas supplies this deficiency completely.

Yours very truly  
M. T. L.—Dallas

Shot Put—Stach, Cameron; Brown, Thorndale; Clark, Thorndale; Pickens, Rockdale.

An incomplete report of the Meet was not possible for this issue of The Herald, but the tabulated returns will be published next week. Other events in which Camron placed were as follows: Cameron tied for first place in junior spelling, tied for third place in sub-junior spelling, and won third place in senior spelling. Cameron won third place in the music memory contest, failed to place in art appreciation, but won first place in the arithmetic contest.

Results of the junior track meet had not been compiled in time for publication this week. Cameron won first place, however, in the potato race for Class A teams.

Judging from the events known about, it is safe to assume that Cameron led the Meet in the total number of points scored.

## Final Report On 1929 Cotton Crop

Census report shows that there were 39,911 bales of cotton ginned in Milam County from the crop of 1929, as compared with 68,304 bales from the crop of 1928.

Very respectfully,  
Grover H. Albert,  
Special Agent.

### CHARACTER

Run out the race unto the end  
And finish where you can.  
Or lose or win, when you come in  
Be none the less a man.

Play out the game unto the last  
And if you fail today  
Come home content your strength  
was spent  
In learning how to play.

What if another takes the prize?  
There's many a prize to be.  
And an honest name holds longer  
fame  
Than a last week's victory.

Use all you have of strength and skill  
But never try deceit,  
You can keep your grin if you've  
cheated been  
But not if you're the cheat.

Run out the race unto the end,  
And conquer if you can,  
But lose or win, when you come in  
Be none the less a man.

—Edgar A. Guest

## CASE IMPLEMENT DEALER IS PLEASED

A. J. MATOCHA & CO. EXPRESS  
SATISFACTION OVER RESULTS  
OF HERALD ADVERTISING

This paper has been advised by A. J. Matocha & Co., local Case dealer that they are very well pleased with the results of the advertising campaign they are now running in these pages. They report an unusual amount of interest has been aroused in their product through this local advertising which is tied up with the big Case national advertising campaign.

Mr. Matocha said today to one of our representatives, "The modern farmer is fast turning to power farming. He realizes if he is going to stay in the farming business that he must make a profit. He realizes too, that if he is going to make this profit he must reduce his cost of raising crops and that he cannot do this with old, out of date equipment. He knows that he cannot farm today as his father did in yesteryears, and that the only way is to be up to date, which means that he must use modern machinery."

"We certainly are grateful, indeed, to see the way our farmers are taking to modern equipment. We lay much of this increased interest to the splendid cooperation the farm press and your publication have been giving to modern farming. The publicity given this very much worth while project is having a truly wonderful occasion to express our gratitude to influence. We would like to take this occasion to express our gratitude to the Cameron Herald for the splendid results we have obtained from our advertising campaign. We have received inquiries from local farmers whom we had no knowledge were even in the market. Many of these farmers have already placed their orders for modern farm machinery and many more will do so shortly."

## [MAY BE QUEEN:]

Princess Maria Cyrillovna, who may become the bride of the bachelor king of Bulgaria. Although certain statesmen are opposing the match because of fears that if she goes to Bulgaria that country may become the center of Russian monarchistic intrigues, King Boris will be his own judge in this matter. ## Lee R. Tag At Baytown Writes He Appreciates Old Home Town Paper

Lee R. Tag, now with the Humble Oil and Refining Company laboratory at Baytown in a letter to the Editor of The Herald sends an expression of appreciation for the paper each week and the many friends here of Mr. and Mrs. Tag will be pleased to note they have found real pleasure in living in Baytown:

"It has been some four months since I left your employ and it has seemed almost no time at all. I have secured a very nice position that seems to offer much promise and I intend to make the most of it. The people here are very kind to us and we have established quite a few friendships."

"Some of the folks there in Cameron may say that the old home town paper is nothing to see but we who are hungry for every word from home read it avidly and we look forward to the day when we get it out of our box. It is a life saver and I can say that it has cheered us up immensely."

"I was rather surprised to see the face of one of my old school mates yesterday. Frank Plaster has accepted a position in the local post office. If this migration keeps up Baytown will be like home to us. I was also very much pleased to find several of my Southwestern friends here."

## Yoemen Lose To Allen Academy

Monday afternoon the Yoemen went to Bryan to play the Allen Academy team. The Yoemen played a fine game at times but at other times the defense blew up and they were defeated by a score of 10 to 9. Keith pitched good baseball considering the cold, windy day. He was unable to use his curve ball effectively on account of the wind. Prothro Deer was a sensation on the base-paths, stealing five bases and getting on by a walk four times. His other trip to the plate resulted in a single.

In the first inning 'Boots' Smith's timely single to right scored Douglas Williams and Alfred Ondrej. 'Boots' stole home a few minutes later after advancing to third when the pitcher turned his back to pick up the ball. The Allen team tied the score in their half of the inning and scored another run in the second.

The Yoemen went into the eighth inning two runs behind but 'Texas' Miller hit a long triple to score two Yoemen. 'Texas' tried to score on an error but the umpire called him out.

It looked like an extra inning game was to be on hand until a triple and a single scored the winning run for the Allen team with one out in the ninth.

W. M. Krause, constable from Burlington, was in Cameron Monday on business and while here called at the office of The Herald to extend his subscription for another year. Mr. Krause has been constable for that precinct for a number of years and has served the people well and will be candidate for re-election this year. He will make his announcement in a short time for the office again.

## 500 TICKETS OFFERED FOR CHURCH BANQUET

MIKE H. THOMAS OF DALLAS IS  
SPEAKER FOR BROTHERHOOD  
DINNER MARCH 28

Five hundred tickets have been distributed for sale to the Brotherhood Banquet to be held at the Methodist church Friday evening, March 28 at 7:30 o'clock at which time Mike H. Thomas of Dallas will be the principal speaker. The main idea of the banquet is to interest the men of the city in the community Sunday school drive which will end Easter Sunday with a hoped-for attendance of 1800. Others appearing on the program Friday evening, presided over by Rev. E. S. Hutcherson, will be Rev. J. B. Hardigree, Rev. C. A. Lehmborg, and Hon. Jack Lewis. Musical selections will be given by the male quartettes of the Methodist and Baptist churches and Rowland's Rollers will furnish orchestra music.

Tickets are being sold on the streets this week. Those who do not purchase tickets previously may do so at any time Friday at the following places: from H. E. Garner, John Haygood at the American Railway Express office. W. H. Stafford at Eakin's Dry Goods Co.; and Dr. James Watson at his office in the First National Bank building.

The Sunday School campaign gained impetus last week with more than 1000 in attendance at the churches of the city. For the second consecutive Sunday the Methodists led in the number present having a total attendance of 385. The Baptists had 378, the Christian church 77, the Presbyterian 130, and the Church of Christ 55. With only four more Sundays to go substantial gains will have to be made in all the churches if the goal of 1800 is reached by Easter Sunday.

## Cameron Students Win In Declamation

Giles L. Avriett, Jr., won first place for Junior boys in the declamation contest at the Interscholastic League Meet in Rockdale on Friday, March 21.

Miss Mary Jane Burnet won first place for Senior girls declamation.

Miss Patsy McGregor won second place in Junior girls declamation.

George Tiffany Moore won third place among Senior boys.

Winners in first and second places will compete in the District Meet in Waco on April 18.

Cameron won first and second place in Junior and Senior Choral singing in debut, being the only entrants.

Rain caused postponement of the Saturday program and the League convened again Wednesday and Thursday.

## Eleven Bones Broken When Painter Falls From Tower Here

With eleven bones broken and two dislocations, Jack Hardy, painter and employee of the Santa Fe, is reported recovering. He was attended by Dr. G. B. Taylor, who reports the case.

The accident occurred last Thursday afternoon when Hardy fell from the tower west of the freight depot. He was painting the tower when he slipped from the scaffold. Both wrists were broken and both dislocated. His left collar bone and left shoulder blade were broken and in addition 4 ribs on the left side and one pelvis bone. He is now in the Santa Fe hospital in Temple and is resting well and will recover.

## TROUBADORES AT SKEEZIX SATURDAY NIGHT MARCH 29

The Troubadores, former University of Texas orchestra will play at Skeezix on Saturday night, March 22. This is one of the most popular orchestras in the South and a favorite with Cameron dancers. Elwood Cammer expects a large attendance at the dance.

F. Ottmer of Ben Arnold was in Cameron Wednesday on business and while in the city called at the office of The Herald to extend his subscription for another year. Mr. Ottmer says that farm lands have plenty of moisture and the farmers need sunshine to insure progress of farm work.

## Deaths Exceed Births In Cameron

Deaths in Cameron in the month of February exceeded by one the number of births according to the report of the State department of health in the current vital statistics survey. There were seven deaths and six births reported for the month.

Based upon a fixed census of 5000 the population of Cameron would be the population in 417 years if this ratio of loss continues.

Based upon the calculated vital statistics for the State with a population of five and a half million 60,500 people die each year while 115,500 are born each year. If this ratio may be applied to the nation with a population of 120,000,000 there would be 1,320,000 deaths and 2,520,000 births each year. The estimate is 21 births to each 1000 population and 11 deaths to each 1000 population.

## Weather Records Are Threatened As Snow Flies In Cameron

Weather records were threatened when snow began falling in Cameron this morning. Not since the memory of many can so severe a spell of weather be recalled as that which enveloped the state Thursday when a belated breath of winter blew across the plains and surged on to the coast.

Preceded by a cold norther Wednesday night, rain fell early in the morning Thursday and at seven o'clock a light snow began to sift down out of the gray clouds, increasing in intensity up to the noon hour. Fear that freezing temperatures might prevail was expressed by many here. White house tops suggesting dead winter days greeted the people in mid-morning and indications were that the cold would continue through the night.

### HERMAN BRUDER

Herman Bruder, age 30, died at his home at Belmena at 12:30 o'clock Sunday afternoon. Funeral services were held Tuesday afternoon at two o'clock at the Lutheran church at Burlington, with Rev. Kalkbrenner officiating. Interment was in the Burlington cemetery, Green Brothers in charge. Pall bearers were C. F. Terry, Bob Kirk, Freddie Heinz, Jessie Hickman, Syllis Vaughn and John Hickman.

Mr. Bruder had lived in this country for a number of years and his death will be mourned by a host of friends who knew and loved him for his many noble qualities. Special tributes were paid him and the floral offerings were beautiful. The following are the flower girls who participated in the funeral ceremony: Misses Elizabeth Heintz, Francis Steele, Mary Bodisky, Ethelma Hickman, Ila Vaughn and Eva Vaughn.

He is survived as follows: Mr. and Mrs. Gus Bruder, Sr., father and mother; two brothers, Otto and Gus Bruder; two sisters, Mrs. Ed Dinker of Burlington and Mrs. Richard Luedtke of Burlington.

The Herald extends sympathy to the bereaved family and relatives.

### LUTHER MOORE

Funeral services for Luther Moore, 33, were held at three o'clock in the afternoon of Tuesday, March 25, 1930 at the Methodist church in Minerva with Rev. McCown and Rev. Joel Hardigree of the Christian church conducting the services.

Mr. Moore died at two o'clock in the morning of March 25, 1930 at the family residence near Minerva where he was born and reared and his death will bring sorrow to the hearts of many who knew and loved him in life.

Interment was made in the Minerva cemetery with Green Brothers of Cameron directing the funeral.

He is survived by his mother and other relatives, among them a brother in Cameron.

The Herald is glad to add the names of Mrs. J. O. Vaughn of Ben Arnold and Aubrey Hightower of Cameron, Route 2 to the long and increasing list of readers of this newspaper. The initial paper will be mailed this week.

## CITY ELECTION HERE ON TUESDAY APRIL 1

ELECTION OF OFFICERS TO BE  
HELD AND VOTERS RE-  
QUESTED TO BALLOT

The regular city election will be held on Tuesday, April 1st which is next week and the voters of Cameron are urged to go to the polls and cast their ballots.

The primary election held in February every two years monopolizes interest in voting under the party system and no opposition occurs in the general election but voters should turn out and vote as this is the election at which officials for the city government are elected.

The election this year will be held in the city hall which is the building housing the fire fighting equipment. Wm. Henderson has been named the presiding judge of this election.

## Keith Electric Company Moves To New Location

The Keith Electric Company has moved from former location in the Yoe building to the Zalesky building formerly occupied by the Triggs Brothers cotton office next door to the Cameron Plumbing Company.

The building has been repainted and finished for the new occupants. The business will be formally opened on Monday, March 31 and the company invites friends and patrons to visit the store selling and servicing Frigidaires.

## MINIATURE GOLF FOR CAMERON FANS

Cameron has a miniature golf course soon to be opened for golf fans by Chas. Brady of the B. & B. Studio and Dr. C. F. Gyllenband. The course is located on the R. L. Batte property at the site of the old Presbyterian church.

This form of golf is proving very popular with golf fans over the country. The course is well constructed and fans will welcome this game. A small admission charge will be made.

## Cost Sale On Radio Sets Announced By Cameron Furniture Co.

Sale of Radio sets quoting cost prices and below with convenient terms for purchasers is announced this week by the Cameron Furniture Company. James L. Coleman in charge of radio sales and service has an attractive announcement in this issue of The Herald giving prices and terms on these sets. If you are interested you should read their ad.

## PARENT-TEACHER ASSOCIATION URGES VISITING OF SCHOOLS

Every patron of the Cameron school system is urged to visit the schools at some time during the first week in April, April 1-4 inclusive, this time having been set aside by the Parent-Teacher Association for such visiting.

One of the objectives of the P. T. A. is a better understanding between school and home. The committee making arrangements for the week of visiting believes that a visit to one's school is a friendly act of courtesy and cooperation, and that it will result in mutual help.

Mrs. R. B. Johnson and Mrs. T. E. Keeley, both of Dallas. They were accompanied home by young Johnnie Young, who is spending this week with them.

## CHRISTIAN CHURCH

Sunday, March 30th, is Family Sunday, when families are invited and urged to attend services. The family having the award of its members present will be awarded a prize. Sunday school will be at 9:45 a. m. 'The Value of a Family' and 'The Abiding Presence of the Holy Spirit' are the subjects to be delivered at 11 a. m. and 7:30 p. m., respectively.

The evangelistic meeting starts April 10th, and continues through April 20th. Rev. and Mrs. Arthur A. Hyde will conduct the services. Remember the time and place.

## Texas And Texans

By Will H. Mayes

### Texas Road Program

Texas has a road building program for 1930 that will cost \$8,500,000, the expenditure being made possible by the co-operation of the Federal Government. Of this amount \$41,500,000 will be spent on State highway construction and \$17,000,000 on local roads and bridges. It is estimated that 1650 miles of Texas roads will be improved.

Road building in Texas appears to be going along pretty satisfactorily and the money being spent for road work is almost sufficient in itself to prevent any serious unemployment situation.

But in the matter of building roads as in most other phases of modern life, those who help themselves are those that get helped. The section that waits for roads to be built for it without doing anything to speed the building will not likely get much help in 1930 or at any other time.

### Texas Life Insurance Loans

Life insurance has become largely an essential of modern living. The benefits are not only to those insured but are extended to many others. Texas life insurance companies in January loaned \$1,168,258 in the state, some of it to policy holders on their policies, but a large part on real estate and other securities. The

growth of Texas life insurance companies within the last decade or two illustrates well the trite adage 'What Texas builds, builds Texas.'

### Texas Harbor Projects

At least three Texas harbors seem assured improvements within the year under the rivers and harbors bill now pending in Congress. These are the Aransas Pass-Corpus Christi harbor, in which \$515,000 will be spent; Galveston \$706,000; Houston ship channel \$953,000.

### Tomato Acreage Increased

From all reports the Texas tomato acreage will be largely increased this year, perhaps doubled. DeWitt county growers plan planting 1500 acres; San Marcos growers are doubling the acreage. A number of sections that have been growing only for the local markets will plant for carload shipments. East Texas will doubtless have a larger acreage than usual. Several tomato centers are establishing canneries to handle the surplus crop.

### Point Isabel Causeway

It is announced that finances have been assured for construction of a \$1,000,000 causeway from Point Isabel to Padre Island, and that the company that will build it also has plans

for a \$1,000,000 resort hotel on Padre Island. Although Point Isabel is at the southernmost tip of Texas, this huge enterprise will benefit the entire State.

### Texas Gauze Mills

The construction of a mill at Marble Falls for the construction ETA ble Falls for the manufacture of medicated gauze for surgical dressings, which is to be in operation by June 15, is the beginning of many large industrial enterprises that are sure to follow the building of the Colorado river power and irrigation dams. A company at New Braunfels has been successfully manufacturing and marketing medicated gauze for the last two or three years, and the Marble Falls enterprise will not be an industrial experiment.

### Farmers Luncheon Club

When some 20 farmers met at Killen recently and formed a luncheon club they started a movement that is likely to reach large proportions. The club will meet every two weeks at lunch and discuss matters in which the farmers of the community are most interested. While they will doubtless invite Killen business men to meet and talk matters over with them from time to time, it will be distinctly a farmers' club. The Killen Herald offers a suggestion worth passing along to other communities when it says: 'Why not farmers meet in some form of luncheon and service club as well as men in other walks of life?'

### Benefits of Co-operation

Farmers need, as much as any others, to co-operate, and no doubt the Killen farmers will talk cooperation at their luncheon meetings. At Crystal City, spinach had fallen to 35c a basket with every prospect that it would go lower and with the bulk of the crop not harvested. The growers got together and fixed definite marketing rules. The price was advanced almost immediately until 65c and 75c a basket was realized, a fair price for the product. 'In union there is strength.'

### Gaudalupe River Survey

The Federal government is making a survey of the Gaudalupe river from its mouth to Cuero. At one time the river was navigated as far as Victoria. While the engineer in charge of the survey says it is for the purpose

of ascertaining if there is a four foot river navigation depth, Cuero citizens are hopeful that the project may establish the feasibility of a nine foot canalization of the river, thus fixing possibilities for a combination of practical uses.

### Demonstrating Farm Success

J. P. Jameson, living near Dilley, is making a practical demonstration of diversified farming. He maintains a flock of about 1000 hens, from which he has sold more than 11,000 dozen eggs during the last year at an average of 34.8 cents a dozen. Except for a moderate amount of commercial mash, he raised hedges and milo maize for grain feed, also feeding skim milk from several good milk cows which furnished milk and butter for family use and some to sell. He raised 19 head of hogs and operated his own chicken hatchery. It is easy to understand that he is not complaining of the hard luck of farming.

### Town and Country Unite

At a recent meeting of the Floresville Chamber of Commerce approximately 300 were in attendance, about half of the number being farmers who have joined the organization. A tamale supper preceded several short talks from business men and farmers. It is safe to say that if these meetings which are to be held monthly, are kept up, the entire county will profit by them. Such gatherings strengthen the trade and the good feeling between town and country.

### Miniature Golf Links

Miniature golf is the latest fad. Town block imitations of the real thing are to be seen in many places, and a number of hotels are establishing them for their guests. While an entire block is better, even smaller plots may be used. Stone, cement, wooden obstacles and sand piles are used. While the main rules of golf are followed, the miniature golf courses present more the appearance of cluttered croquet grounds. The game is far less exhausting and much more economical than that of the large golf courses.

### Wisconsin Methods

The Wisconsin Real Estate Board thought to stop Wisconsin farmers from coming to Texas by prohibiting certain realtors from operating in that State in the sale of Texas lands. The secretary of the board came to Texas with a train load of prospectors. He saw Texas, was convinced bought 10 acres of Rio Grande Valley land, returned to Wisconsin, and was promptly fired from his job for buying land in Texas. He will be welcomed back to Texas and it is highly probable that many others will come with him. Even Wisconsin folks know a good thing when they get a chance to see it. That Wisconsin board threw a mighty boomerang.

### Do You Want To Attend A Business College

Realizing that a great number of young people are deprived of an opportunity of attending a business college because of the lack of money, our STUDENT LOAN FUND ASSOCIATION was created for the express purpose of furnishing the necessary help to worthy boys and girls.

We have selected the Tyler Commercial College of Tyler, Texas, as the college we can most consistently recommend. This is one of the oldest business schools as well as one of the most widely known for its thorough work and its successful graduates cut in the world of business.

We have made arrangements with the Tyler Commercial College by means of which we can take care of a limited number of young people through our loan fund.

If you are in good standing in your community and can furnish the best of references, we shall be glad to help you. We have helped a number of deserving young people in the past who are now independent wage earners and enthusiastic boosters for our Association.

We are especially interested in helping young men and young women who have been forced, on account of financial reasons, to drop out of high school or college.

In order to receive help from this Association it is only necessary to clip the coupon attached and mail it to us or to the Tyler Commercial College. We can then work out a plan whereby you will be enabled to enter the College even though your funds are limited.

Clip out the coupon and mail it today either to Tyler Commercial College, Tyler, Texas, or to

## CULTIVATES and CHOPS...

a Practical  
Cost Reducer

THE Case Cotton Chopper and Cultivator is a practical cost reducer for cotton farmers. With nine sweeps, each chopping twice as much as your best field hand, you save a lot of time, and a lot of expense. You can forget your cotton chopping labor problem with this machine on the job.

With a simple wedge clamp, sweeps are quickly and easily spaced—just as you want them. Convenient hand lever regulates depth. Master lever raises and lowers all shovels together.

The Case Cotton Chopper is a dual purpose machine. It first spaces the cotton and can then be set for weed killing and cultivating. Soon pays for itself by cutting costs and increasing yields. Sturdily built—few parts—simple to operate. An easy pull for 2 horses or mules.

Come in and look it over—we'll gladly demonstrate this machine to you.

## Chevrolet announces

## A NEW

## SERVICE POLICY

The Chevrolet Motor Company and its dealers are pleased to announce a new service policy—one of the most liberal ever offered on a low-priced automobile.

Put into force as a written agreement given to the purchaser by the Chevrolet dealer when the car is delivered—it offers the following provisions:

**1** Every Chevrolet owner receives his car from the dealer in perfect condition—thoroughly lubricated, properly adjusted, and ready to operate efficiently from the first mile of ownership.

**2** Every Chevrolet owner is entitled to free inspection and adjustment of his car at the end of the first 500 miles of usage.

**3** Every Chevrolet owner is entitled to free inspection of his car every 1000 miles thereafter, so long as the car is in operation.

**4** Every Chevrolet owner is entitled to free replacement of any part which may prove defective in workmanship or material, within the terms of Chevrolet's standard warranty. This includes both parts and labor.

**5** Provision number 4 will be carried out by any Chevrolet dealer in the United States. As a result, the Chevrolet

owner may travel to any part of the country, with assurance that the guarantee on materials and workmanship will remain in force.

This new policy constitutes proof of Chevrolet's high quality—for such liberal provisions could only be made in connection with a car built of fine materials to exacting standards of workmanship.

Back of this policy, and assuring its successful operation, is one of the most complete and efficient service organizations in the world.

There are more than 10,000 Authorized Chevrolet Dealer Service Stations in the United States alone. Each employs skilled mechanics thoroughly trained at Chevrolet Service Schools. Each has specially designed tools and machinery developed exclusively for Chevrolet service work. And each has on hand, at all times, an adequate stock of genuine Chevrolet replacement parts.

Chevrolet's flat-rate charges, including both parts and labor, are the lowest in the industry on many service operations!

In considering the purchase of a low-priced automobile, think what this service means—in terms of lasting satisfaction, as well as in increased economy.

## HALF INTEREST SOLD IN DISCOVERY WELL

DISCOVERY TRACT INTEREST IS  
SOLD TO EDWARD E. ERTTEL  
AT TAYLOR

(Taylor Press)

Details of the most important transaction since the opening of the Williamson county oil field were completed here today whereby a one-half interest in the Abbott discovery gusher and a full seventy acres of the Abbott discovery tract passed into the hands of Edward E. Erttel.

By the acquisition of these properties, the heart of the great field between the discovery well and the Wilson-Sconyers gusher becomes the property of the man who first invested money in the drilling of the Abbott

discovery well down to a depth of 1157 feet.

And the Abbott well, over which Erttel and his associates worried and labored for three months, becomes his to the extent of a full one-half interest together with the full interest in the Abbott 71 acres.

The property included in the transaction is considered to be located along a half mile of the top of the structure and to be large enough to accommodate the drilling of at least twenty wells. Three of these Erttel wells, Mr. Erttel says, are to be started at once; one of them offsetting the Wilson-Sconyers gusher; the second offsetting the discovery well, and a third to offset the Link-Simon well upon its being completed a producer.

It is probable, it is stated, that at least five more wells will be started in the near future in the event wells are completed east of the Abbott boundary line in the McConnell tract. It was announced at the Erttel offices immediately after the consummation of the purchase, that all boundary lines of the Abbott tract would be protected immediately after offsetting wells are completed.

The acquisition of this valuable property by Edward E. Erttel brings his newly bought holdings in the field and along the structure to approximately 500 acres—more than 80 acres of which are located squarely in the area of the heavy production. Erttel's McConnell No. 1 well, located in the center of the McConnell tract and practically midway between the discovery gusher and the Wilson-Sconyers well, is drilling at present below 300 feet and logging almost identically with the discovery well.

A second location has been made for the Erttel-McConnell No. 2 well on this tract a few hundred feet east of the McConnell No. 1. With these two wells and the third about to be started on the Abbott tract, the Erttel interests expect to have their first well completed and four additional wells drilling within the next ten days.

The progress of Edward E. Erttel in the Williamson county field has been meteoric since he first came to Taylor. Associated with J. C. McNeill, George B. Peterman and Joe Mills, Erttel was among the first to finance the starting and drilling of the Abbott discovery well down to a depth of 1157 feet, where an interest in the well and two and a half acres were sold to E. L. Chapman, who financed the drilling of the well the remaining 784 feet—until it came in a gusher at 1834 feet.

Following the closing of the negotiations here today, J. C. McNeill and Geo. B. Peterman gave out the following statement:

'It is with pleasure for us to see this rich property pass into the hands of Mr. Erttel. It was he who first financed the drilling of the discovery well down to 1100 feet. He is far better financed than we are to continue the development of this great field, and we feel that the properties he has bought today will produce a tremendous amount of oil.'

### Chevrolet Six Wins In Los Angeles Race

Los Angeles, March 24—Competing against a field of 41 other entrants, a 1930 Chevrolet six cylinder coach, driven by Mrs. Paul A. Lawrence of Los Angeles, won the sweepstakes and first place in its class in the annual Gilmore Blue-Green Economy run here February 14.

Every type of road and grade was encountered in the run that covered 200 miles between Los Angeles and the Wrightwood mountains. Mrs. Lawrence's Chevrolet demonstrated its economical operation over a course that included city traffic, country roads and mountain stretches along a circuitous route rising from sea level to an elevation of 6000 feet.

To win the event, the Chevrolet coach traveled 36.71 ton-miles to the gallon of gasoline, averaging 20.5 miles to the gallon for the 200 miles traversed. The total weight of the Chevrolet coach, with its driver and four passengers was 3580 pounds. No oil and no water was used during the run.

The economy test was staged under the supervision of the American Automobile Association, sanction number 2306 and was limited to stock cars. Six classes of cars were represented among the 42 entries. The Chevrolet coach, with Mrs. Lawrence at the wheel, not only won first place in its class, but, in addition, won the sweepstakes for all classes.

President Hoover's special session has gone into history, but no one will ever know what it accomplished. The fact is, most of us have forgotten what it was called for. Now, the regular session will soon be on two months and not even any oratory worth mentioning. They are like the man in the woods. They are lost and running in circles.

## From the Files of The Cameron Herald

28 Years Ago

Messrs. John H. Bickett, W. W. Chambers and W. T. Hefley are in North Texas this week.

R. L. Batte left last Sunday for West Texas to look after his stock interest in that section.

John Henry Thomas is recovering from a severe spell of pneumonia. The little fellow suffered intense agony for several days and his life was almost despaired of.

Hon. J. M. McKinney of Jones Prairie was in Cameron for a few hours last Wednesday.

Mrs. J. M. Hooks is quite sick this week and her uncle, Dr. Vol Reed, of Holland, is here to see her.

Grandma Homan died last Saturday at the home of her son, Hon. W. K. Homan, in Colorado City, Texas.

Hon. T. S. Henderson spent several days in Waco this week attending the ceremonies of laying the corner stones of the Carroll buildings at Baylor University. He was one of the speakers on that interesting occasion.

Miss Mary Rogers is visiting relatives and friends at Holland, Bell county.

Pat Womack and bride spent a few days last week in Cameron visiting relatives and friends. He was married on the 16th of last month to Miss Plumlee of Cleburne. Pat is now with the I. & G. N. railroad and is located at Palestine.

Among the social functions of the season none stand out more prominently for pleasure than the tea given by Mrs. J. D. Hefley, on last Tuesday afternoon. Quite a number of the lad-

ies of Cameron availed themselves of this opportunity to pay court to Mrs. Hefley's hospitality and this charming hostess never shone to more advantage than on this occasion where she made every one feel the inspiration of hearty good cheer. The Hefley home is an ideal one, and she who graces it as mistress is in every way fitted to be what she is, one of the social leaders of our little city.

## APRIL FOOL

The first day of April or 'All Fool's Day' has long been in the United States and for a still longer period in many European countries, a day for mocking people by sending them on bootless errands or by making them the victims of some other kind of practical joke.

Grimm, the German fairy tale writer, speaks of the custom as having been introduced into Germany from France in rather modern times. It at least is not an incident custom.

One writer traces its origin to the miracle play formerly presented at Easter time, which often showed Christ being sent from Annas to Caiaphas and from Pilate to Herod. Another says that it found its origin in the Huli festival of the Hindus on March 31 or in the Feast of the Fools celebrated by the Romans on February 17.

In France the victim is called 'un poisson d'avril' or 'An April Fish.' This possibly comes from the opening of the fisheries at that season. In Scotland one is called a gowk or cuckoo.

Make an investigation of any condition about which there is complaint and it will be found that the people themselves are responsible for it. If a trust has reached a position of power and chooses to exert from the people unreasonable profits because it is able to do so the people complain, but the people are responsible for the trust. They have made the trust possible by withholding their business from the little fellow and throwing it to the big fellow making him bigger and stronger and more powerful. If an unsanitary condition results in disease and epidemics that cause loss of life and people complain but the causes that led up to the epidemic are the fault of the people. The human race digs its own pitfalls and lays its own traps and its members having walked into them immediately sets up a howl for some one to come and help them out.

Lindbergh continues to hold his place in the hearts of American people. He has continued to be the popular idol longer than any other man who has occupied this difficult role. The reason that the Colonel is able to retain the good graces of the public for such an extended period is that he keeps the public at arms length. As long as Colonel Lindbergh can do this he will hold his place as America's most popular idol.

Figures on the annual per capita consumption of candy just issued by the Department of Commerce remind us again that this is a great country. Although we spent nearly a billion dollars for confectionery last year this enormous sum was divided among such a large population that, speaking in averages, each of us spent for candy only a little over 2 cents a day.

Speaking of hokum in its purest and simplest form, how is this one by Heywood Brown, writer for the Outlook and Independent: 'America suffers from an exaggerated respect for authority of all sorts.' If America is really suffering for anything one thing is certain and that is that it is not an exaggerated or any other kind of respect for authority.

John N. Willys, automobile manufacturer tells President Hoover that 500,000 more automobiles will be produced this year than were turned out last year. If this is true some of us who figured on keeping the old bus another year will have to change our plans and turn it in on a newer model.

The Santa Fe railroad is placing this year \$7,000,000 worth of new equipment in service on the Chief, the company's extra fare train between Chicago and Los Angeles. It is stated that it requires ten complete trains to keep the Chief moving.

More than 7800 miles of Federal aid roads were built in 1928. In all,

74,783 miles of roads were improved during the year, according to the Bureau of Public Roads, of the U. S. Department of Agriculture.

Some good authority notes that the battle is not to the strong nor the race to the swift, but no one anywhere has ever said that the rewards do not come to the efficient.

At a certain period in the history of the race the inventive genius of man devoted to the construction of devices of torture. The rumble seat is a hangover from this age.

A Wichita boy of 15 was arrested recently for being drunk and speeding 45 miles an hour in a stolen car without lights. It looks as though the police had it in for him.

## FROM THE MAIL BOX

Cameron, Texas, March 23, 1930.

Mr. J. B. White,  
Editor, Cameron Herald,  
Cameron, Texas,  
Dear Sir:

Being a reader of The Cameron Herald I would make this suggestion. That you ask and request thru The Herald the readers of said paper, the women in particular, when buying Spring clothes to give cotton their preference, before silk and rayon. As you know every person's buying power is gauged by his income. The cotton mills at present are buying less raw cotton and weaving less cloth than one year ago. If all of us would and we can, increase the demand for cotton goods, believe business would live up considerably.

Some city folks are displeased with farmers for over-production of cotton. Let me give you an instance of my experience. Two years ago I decided to raise something besides cotton. Bought a couple shoats, paid 10 cents per pound for them, after fattening them, the most I could get was six cents. With best wishes to The Herald, I am,

E. C. DURNIE,

Box 766, Cameron, Texas.

Mr. Durnie encloses the following clipping which will be of interest to the readers of The Herald:

## WEAR MORE COTTON

This is the time of year when the farm woman along with the rest of womankind thinks of new clothes for herself and the children. We may feel that we should not spend much for clothes but with the styles so changed most of us will manage to have a few new dresses.

Suppose we use cotton material this spring. It is really very fashionable as well as the least expensive fabric available and is made in such varied colors, designs and weights that suitable material may be had for a frock for any occasion.

Suppose we get away from the habit of buying cotton only for house dresses and using rayon and silk, most of which is imported, for all other wear.

Many of us buy homegrown products of other kinds in preference of foreign goods, but never think of homegrown products when buying clothing, an important item in any family's budget.

Let's think it over, look at the attractive display of cotton fabrics the next time we go to town and do our bit to help our own financial situation.—Rachel, of Washita county, Oklahoma.

## CARD OF THANKS

We desire to extend our heartfelt thanks to our neighbors and friends for their kindness and words of sympathy during the illness and death of our beloved son and brother, Herman Bruder. We thank those who gave flowers and all who in any way assisted us during this sad hour for all of us. We will remember always the kind thoughtfulness of our friends and neighbors.

Mr. and Mrs. Gus Bruder, Sr.

## JONES PRAIRIE

By MRS. R. K. FONTAINE

Mrs. Newt Canady and children and Mrs. Orvil Canady and children spent Thursday afternoon with Mrs. Jim Fontaine.

Connie Mae and Durward Hickman spent the week end at home.

Mr. and Mrs. Rodney K. Fontaine, Joy and Billie Fontaine, Mrs. Amos R. Carlson and daughter, Norma Clair of Detroit, Michigan, Mr. Roy Little of Belton enjoyed a turkey dinner at the Dr. W. J. Fontaine home Sunday.

Miss Maudie Canady and Rosa White spent Saturday night at the Birt Thrasher home in Cameron.

Misses Woods and Meadows of Waco were Sunday night guests of Miss Edna McKinney.

The girls who sang at the County Meet enjoyed a slumber party at Mary Tom Stidham's Monday night.

Mr. and Mrs. Pery Tindall and family of Calvert visited in the community Sunday.

Mrs. Albert Yager shopped in Cameron Monday.

Bill Fontaine spent Monday night in Cameron.

Misses Eloise and Lois Glass of Waco, whose parents are missionaries in China were guests of Mrs. T. B. Stidham last week.

Grady Stidham and family were visitors at the Ben Stidham home Sunday.

Miss Roxie Fontaine celebrated her tenth birthday Sunday with a picnic dinner in the woods. Several of her friends enjoyed the feast.

The Cheer-Up Band from Waco accompanied by some of the Little River church members put on a program at Clarkson Sunday afternoon.

Miss Marrietta Boyd and Boyd Chambers of Walker's Creek were guests in the Harper home Sunday.

Miss Shirley and Mr. Vandervauld of Waco were guests in the home of Miss Ethel McKinney Sunday night.

Mrs. J. S. Henderson of Sherman is visiting her mother, Mrs. P. H. McKinney.

Misses Jackson and Cross of Waco were guests in the J. H. Burnett home Sunday night.

Mrs. C. C. Black and son, Billie were Tuesday dinner guests of Mrs. Rodney Fontaine.

Mrs. Amos R. Carlson and daughter Norma of Detroit, Michigan, left Wednesday for a visit in the Valley after spending a month with her sister, Mrs. Rodney Fontaine.

Dinner was enjoyed at Little River Sunday by our community and neighboring communities.

The Worthwhile Club met Tuesday March 25 with Mrs. W. J. Fontaine. Thirteen members answered to roll call, one visitor—Mrs. Amos R. Carlson, of Detroit, Michigan, was present.

The following program was enjoyed: Dietary reasons for having a Spring garden, Mrs. T. B. Stidham.

Some suggestions in the prepara-

tion of vegetables, Mrs. Davis Black. The coming budget and what it means to us, Mrs. A. R. McLerran. Demonstration (winter salads), Mrs. Albert Yager.

At the close of the meeting Mrs. Carl Black was presented with a green glass ice tub as a gift from the club ladies. Club adjourned to meet in April with Mrs. Will Harper.

## MRS. GRAHAM GILLIS IS HOSTESS TO HISTORY CLUB

Mrs. Graham Gillis was hostess to the Cameron History Club Tuesday afternoon when fourteen members were present and one visitor, Mrs. Cooper of Temple. Mrs. Wm. Henderson was leader for the afternoon with Mrs. E. A. Wallace her assistant. Mrs. Wallace gave two discussions, the first being from an article concerning the war which American women are making on Paris styles, and the second about the census report. Mrs. Wallace gave valuable information on the necessity of answering questions that are asked and on how to fill out the reports. Mrs. Henderson gave a resume of an article by Beverly Stark appearing in the Mentor on 'Our Colleges,' a comparison of colleges of today and yesterday.

A parliamentary drill conducted by Mrs. Jeff Kemp was scheduled in the Year Book for this meeting, but Mrs. Kemp substituted for it an article by Judge Mathis on 'What to do with the Delinquent Negro Girl.'

During the social hour following the program, the guests were served

a salad course and hot tea. The Gillis home was decorated with violets, iris, and climbing periwinkle in shades of purple and lavender.

## MRS. T. A. FISHER HOSTESS TO FORTY-TWO CLUB HERE

Margaret Fisher, dressed in overalls and straw hat, received guests last Thursday afternoon when her mother, Mrs. T. A. Fisher, entertained members of the 42 Club with a cleverly appointed 'garden' party. Using spring colors of white and green, Mrs. Fisher placed to advantage baskets of wild haw blossoms and bridal wreath about the rooms where tables were placed for games. Tallies and score pads were decorated with pictures of flowers and vegetables taken from seed catalogues and the tables were numbered by means of these pictures also.

Following the games the guests were served a salad course and iced tea on trays that were centered with towels tied in white and green ribbons, these being given as table favors. Plate favors were scar-crows fashioned of jelly beans and tooth-picks.

## GAUSE 4-H CLUB

Gause 4-H Club met Wednesday, March 18. We had a nice meeting. All the girls answered with a good report of what they had done since last meeting. We are getting along better in our work this year than we ever have. There were about five

girls who have finished their first year's work.

Opal Stovall had a very good report this meeting. She is doing fine. She has most all of her garden planted and up. She has thirty feet of lettuce, fifty feet of cabbage, seventeen feet of carrots, fifty feet of beans, 150 onion plants, fifty feet of beets and fifty tomato plants. Mae Buffington, Opal Carroll and other girls are doing fine in their gardens too.

Miss Bartholomew showed us some patterns of dresses in which we could select to make our dresses. She helped us cut out our underwear and showed us how to work button holes.

We closed by singing the song as follows:

## The Four Leaf Clover

I know a place where the sun is like gold and the cherry blossoms burst with snow and down underneath is the loveliest neck where the four leaf clover grows.

One leaf is for hope and one is for faith and one is for love you know and God put another one in for luck if you search you will find where they grow.

But you must have hope and you must have faith, you must love and be strong and so if you work, if you wait, you will find the place where the four leaf clovers grow.

Henderson has a lot of them licking out of his hand. There is a new crop born every minute and what are you going to do about it?

## The Peddler's Overhead

AS we were coming back to the store after lunch today WE saw an athletic appearing young fellow carrying a HEAVY case of some kind and going from house to HOUSE ringing the door bells and we knew that another ONE of those agents had hit town and was telling the HOUSEWIVES how he could sell good merchandise for LESS than the home town merchant because he has no OVERHEAD expense, no rent, no clerks, no taxes, and no LARGE stock to carry, but we noticed that this bird MADE about twenty calls for every sale and it struck us THAT the twentieth lady who bought paid the salesman FOR his time in calling on the nineteen who did not buy.

## 'END STRIFE' DECLARES LYNCH DAVIDSON

MOODY PETULENT BOY AND JIM  
POLITICAL PUG DECLARES  
FORMER CANDIDATE

Houston, March 26.—Calling Dan Moody a 'petulant boy' and James E. Ferguson a 'political pug,' former Lieutenant Governor Lynch Davidson issued a statement today urging Texas voters to 'put an end to the personal and factional strife which is swallowing up all hope of state progress.'

Recalling past warnings, Mr. Davidson said that 'unless Texans this year use their thick stub pencils to sweep from the political picture every man who tunes his campaign music to the

Assassin's Song, we cannot justly hope for sound state government.'

'The Marathon Legislature has ended with a requiem for prison concentration, judicial reform, tax equalization, farm relief and a score of other achievements so often pledged,' said Mr. Davidson's statement.

'On the one hand we see a petulant boy, blaming the legislature for damage to his playthings, which he himself has broken up; on the other, that crafty old political pug, James E. Ferguson, fondly hoping that this statehouse bout will be but the 'preliminary' to a knockout political victory for himself.

'This is at once absurd and distressing. But it is not surprising. It is the inevitable result of a weakness in our primary system which allows a handful of voters, blinded by the flares of spectacular combat, to dictate our choice of officers without a single fleeting glimpse of the real issues, hidden in the smoke.

'Thoughtful men and women all over our State foresaw this in 1924 and again in 1926. They pledged for a new day. I joined my voice with them. From one end of the state to another, in my 1926 campaign for governor, I warned of the danger of putting passions ahead of judgment. For just one example, take this excerpt from an Associated Press dispatch, from Denton, July 10, 1926:

'Lynch Davidson declared in an address here Friday night that the election of either Governor Miriam A. Ferguson or Attorney General Dan Moody as governor will mean two years of factionalism at the State Capitol. Bitterness bred during the present campaign, he insisted, will continue, forbidding a business administration, which, he said, was becoming vitally necessary for the economic salvation of the State.'

'I lay no claim to prophecy. The above was merely what all those who looked past the smoke and fire could see. I repeat it now in the very earnest hope that Texans everywhere, in the coming campaign, will see the same significant warning. And I repeat it with the urgent hope that they will put an end to the personal and factional strife that is swallowing up all hope of state progress.

'Moody's two administrations have failed to carry out one major paragraph of his promised program. This is not surprising. In fact, the reverse would be surprising. Why? There are two main causes.

'First, Moody himself, too young in years, younger still in experience, for his job, arrogant, unskilled in the art of agreement, and lacking in the seasoned wisdom and poised determination necessary for leadership. He blames the legislators. But when has a legislature followed out a governor's program except when the governor proved his right to leadership by proving his own capacity? James Stephen Hogg so won his leadership. But can you imagine Hogg whining that the legislature treated him with 'small boy contempt,' as Moody com-

plained in a recent inspired newspaper article?

'This cause of his troubles we can hardly expect Moody to admit. But he has already admitted the second: That Jim Ferguson has usurped the leadership! Less than two weeks ago Moody made this confession openly. Clothed in the vast advantage of his high position, he is driven to admit that the man he defeated only four years ago, has after that short time, come back to master him in his own castle.

'And now this petulant boy and his revengeful adversary are arming once more for the sort of fight which they hope will bring votes by obscuring the failures of both combatants. Let us unite to inform them that their fight will bring no gate receipts. Let us inform every candidate that Texas is through with putting into high office men whose chief claim is that of being a good antidote for some other man. Let us call for men who can help the State, not merely hurt their enemies.'

## CLARKSON

Grady Dupree, wife and daughter of Reed's Lake were guests of Mrs. Herman Schwarting Saturday night.

Little Kenneth Campbell was bitten by a cat Sunday. He is suffering with a severe bite on the arm. It is not known yet whether the cat has hydrophobia or not. The head of the cat was cut off and sent to Austin Sunday afternoon. We are hoping for little Kenneth a speedy recovery.

Henry Schwarting of Palestine was at home with his mother, Mrs. Herman Schwarting over the week end.

Church services were held at the school house Sunday afternoon. Rev. Robert Dobson from Jones Prairie preached. There will be church at the church next Sunday afternoon and everyone is invited to attend.

Quite a few of the young people of the community enjoyed a party Saturday night at the home of Howard Schwarting and wife.

The school was represented at Rockdale Friday by a very few but the few that went came back victorious. Estelle Campbell won second place in senior girl's declaiming and Clifton Cox winning first place in junior boy's declaiming.

Merle Mitchell is suffering with a bad eye caused from the opening of a mole on the eye lid.

Mrs. Herman Schwarting is on the sick list.

Louie Mitchell has been ill the past week.

Nadine, Merle and Dewrell Mitchell and Roy Harper were callers of Howard Schwarting and wife Tuesday night.

Mrs. August Friemel and children were guests of Mrs. Joe Hawk Sunday.

Robert Ponkenian of Rosebud was a guest in the Joe Friemel Sr., home Sunday.

Homer McElwrath and family were guests in the Hal Clifton home Friday night.

Grady Clifton was a guest in the John Bell home Tuesday night.

Mrs. W. T. Johnson and Beulah Johnson were callers at the home of Mrs. Herman Schwarting Thursday afternoon.

Luke Bell was a visitor in the N. C. Canady home Saturday night.

La Rue Douglas was the guest of Mrs. Howard Schwarting Wednesday night.

Mrs. N. C. Canady and children were callers at the home of Mrs. Herman Schwarting Thursday afternoon.

However if you want to mess things up, you want to turn college professors and lawyers loose on a job. By the time they have written a thing up nobody understands it, and they, least of all.

## Jamison vs. W. W. Cox Case Set March 31st

The case of J. A. Jamison vs. W. W. Cox set for Monday, March 31st. Suit is founded upon alleged personal injuries sustained by plaintiff for an alleged unprovoked assault upon by defendant at plaintiff's home near Jones Prairie last fall. The case was tried at November term of court but no judgment was rendered on account of conflicting answers by the jury to the questions submitted for their answers, which required the court to grant a new trial.

Steve, 'Don't you think the flaming youth type of college student is passing?'

Shammy, 'No, flunking.'

## THE QUALITIES OF LEADERSHIP

By JOHN G. LONSDALE  
President American Bankers Association

Leadership and success, in a general way, are synonymous. They are both founded upon simple codes of thought and action.

Leadership, upon the realization that he who wins the laurels must be a deer, not a waiter, that application of energy, not time or luck, is what counts most. A rabbit's foot is a poor substitute for horse sense.

Both success and leadership, if they be of the highest quality, are the result of service to humanity. Service has been aptly described as "the supreme commitment of life." Analyze the lives and times of all great leaders of history and you will find that those whose names are enshrined in the hearts of their countrymen are those who sought to render a needed service to the populace.

Leadership, like success, need not, however, be international or national to achieve great results. There is room for each of us to be a leader in his community, in his work, in his church, and in various organizations. One of the indispensable qualities of leadership is the ability to persist steadfastly in the face of discouragements. If George Washington had not possessed the quality of persistence, he and his soldiers would never have survived the hunger and privations which were theirs at Valley Forge.

We have too many young men and young women these days saying a job cannot be done. Too many spend their time explaining why a thing can't be done, instead of saying, with firm resolve, that it can be done, and then going out and doing it. Anything that ought to be done is capable of being done. And anything worth doing at all is worth doing well. The fellow who handles a little job in a big way is always on the road to greater fields.

## BANKERS STUDY CHAIN CHAIN BANKING

The Economic Policy Commission of the American Bankers Association has been specifically instructed by the general convention of the association to study and report on chain and group banking developments, and also on the proposal of the Comptroller of the Currency for an extension of branch banking in the national banking system, to permit those banks to conduct branches in the trade areas surrounding their locations.

R. S. Hecht, President, Hibernia Bank and Trust Company, New Orleans, Louisiana, is chairman of the commission. The members are: George E. Roberts, Vice President National City Bank, New York, N. Y., vice chairman; Nathan Adams, President American Exchange National Bank, Dallas, Texas; Leonard P. Ayres, Vice President Cleveland Trust Co., Cleveland, Ohio; Frank W. Blair, Chairman of Board Union Trust Company, Detroit, Michigan; Walter W. Head, President Foreman-State National Bank, Chicago; W. D. Longyear, Vice President Security-First National Bank, Los Angeles, California; Walter S. McLucas, Chairman of Board Commerce Trust Company, Kansas City, Missouri; Max E. Nahn, Vice President Citizens National Bank, Bowling Green, Kentucky; Melvin A. Traylor, President First National Bank, Chicago; Paul M. Warburg, Chairman of Board International Acceptance Bank, New York, N. Y.; O. Howard Wolfe, Cashier Philadelphia National Bank, Philadelphia, Pennsylvania; Gorden Edwards, American Bankers Association, New York City, secretary.

A survey showing the extent to which chain and group banking has been made and issued in booklet form by the American Bankers Association of New York City.

The ponderous efforts we make to save the country, do not seem to have much effect.

The idea is to leave room for plenty of argument.

## Commercial Club To Elect Officers And Directors Monday

Semi-annual election of officers and directors for the Cameron Commercial club will be held on Monday night, March 31st. Arrangements for the meeting were made at the Monday night meeting of the club.

A committee has been named to secure a speaker for the occasion. A committee has also been named to make nominations for the officers to be filled.

The secretary has been instructed to mail cards urging the members to attend the meeting.

## MATRON'S CLASS CHRISTIAN CHURCH GIVEN SOCIAL

Members of the Young Matron's Class of the Christian Church, with their husbands as guests, enjoyed their quarterly social meeting last Friday evening at the home of Mrs. H. E. Garner, with Mesdames Garner, Hardigree, Lovick, Young and Copus as joint hostesses. There were no business attended to, as these meetings are purely social in nature. Various games were enjoyed, following which the guests were served ice cream and cake.

## MRS. TERRY WILEY HOSTESS TO TRIANGLE BRIDGE CLUB

Miss Dulcie McCall made high score and Mrs. Edwin Bigbee was low, when Mrs. Terry Wiley entertained members of the Triangle Bridge Club at her home Monday evening. Awards were a dainty boudoir pillow in pastel shades for Miss McCall and a cretonne covered foot-stool for Mrs. Bigbee.

Rooms where the tables were placed were ablaze with spring flowers, and the trays on which a salad course and iced punch were served following the games were centered with potted begonias, the pots being covered in green and having handles fashioned like baskets. These plants were table favors won by Mesdames Conn Moody and Edwin Bigbee and Miss Dulcie McCall.

Guests other than club members were Mrs. Edwin Bigbee, Mrs. Eulan Wiley and Miss Goldye Burke.

Bud, 'Did you get a hair cut?'  
Fred, 'No I just had my ears moved down two inches.'

Slightly annoyed, 'I've just shot a dog.'  
'Was he mad?'  
'Well he wasn't very pleased.'

## Son's Blood Thin and His Stomach Disordered

Wichita Falls, Texas — "My son was in poor health when he was about twenty years of age. His blood became thin and he was pale. He was also troubled with his stomach and his face broke out with pimples. Finally, I decided to have him try Dr. Pierce's Golden Medical Discovery. By the time he had taken a few bottles of the 'Discovery' he was completely relieved of all these troubles, his blood became healthy, and he had no more stomach trouble." — Mrs. Beulah Singleton, 808 Austin St. Tablets or liquid. ## DANGER HEADED OFF

Constipation Troubles Soon Go Away Following Use of Black-Draught.

Burke, Texas.—Mrs. Orea Crawford, of this place, tells of her use of Theodor's Black-Draught which she says covers a period of "a good many years."

"We use Black-Draught as a regular family medicine for constipation, and I try always to keep it in the house."

"I have found it a reliable medicine to give the children when they get upset from over-eating, or have colds, for after taking Black-Draught they get all right in a little while."

"I use Black-Draught for bilious, sick headache. I have found that a dose or two, taken at night, will give quick relief for constipation and the complications which follow when that condition runs on."

"A bad taste in the mouth in the morning, dizziness and a dull headache, all leave quickly after a few doses of Black-Draught. I find it is not safe to let such things run on. I try to head off the danger by taking Black-Draught in time. It is a dependable medicine."

At the first sign of constipation, take Theodor's Black-Draught. This purely vegetable medicine has been in use nearly 100 years. Sold everywhere. Try it. NC-225

### GAUSE

The Epworth League will present a pageant 'Children of Light' Sunday night, March 30 at 8 o'clock at the Methodist church. Everyone is invited and urged to attend. During the entire month of March, Epworth Leaguers throughout the church to which we belong, Our Mother Methodism, and now we celebrate our fortieth anniversary with a pageant which has been prepared to show the adult church some of the work and accomplishments of the Epworth League during the forty years of its life. It has a message for the church. As the pageant begins, church shows through a series of episodes the principles of Methodism which are the heritage of the Epworth League. These principles are portrayed by living pages out of history showing interesting events from the early life of our Mother Methodism. Following this presentation of her principles by church Epworth League shows that these principles have been her own throughout the forty years of her

life. Epworth League calls upon the six handmaidens of the church, representing Spirituality, Evangelism, Missions, Social Welfare, Vision and Consecration, to testify as to her work in each of these fields. When this testimony is completed, church approves work done by Epworth League and offers whatever aid she can give.

Rev. Kendall, pastor of the Baptist church, filled his regular appointment Sunday morning but Rev. Angel delivered the message in his place Sunday evening.

The Ladies Aid met with Mrs. Harwood Monday afternoon and enjoyed a quilting party.

Miss Eloise Thompson, teacher at Cook's Point, spent the week end with her parents, Mr. and Mrs. F. B. Pitts.

Miss Nina Ruth Stubbs of Brenham visited her grandmother, Mrs. Spradley and aunt, Mrs. John Bowling.

Mrs. F. B. Pitts has returned home after visiting her mother and sister, who are ill at Stanford.

Mrs. Robert Obbitts spent the week end at her home in San Marcos.

Mrs. Dean Ferguson and son, Thomas Grey, and Mrs. Lizzie Tidwell attended the funeral services of Mrs. Barnes of San Marcos Sunday.

Mrs. Ira Blackman and brother, Dan Todd of Thrall visited their mother, Mrs. D. D. Todd Sunday.

Mr. Bowling of Cameron is visiting his sons here. At present he is with Mr. and Mrs. L. O. Bowling.

Mrs. W. B. Cochran and Mrs. S. R. Cochran shopped in Waco Tuesday.

Frank Eiland and friend, Alfonso Beer of San Antonio visited parents, Mr. and Mrs. A. R. J. Eiland.

Mrs. Gus Myers and nephew, Jack, of Houston visited her mother, Mrs. Fannie Cave.

J. Smith, who has been in the Cameron hospital suffering from knife cuts was able to return home today.

Mr. and Mrs. Terry Moore and children of Cameron were the guests of Mr. and Mrs. A. Varner Sunday.

Frances Moore and brothers of Hix visited their aunt, Mrs. Chas. Moore Sunday.

Mr. and Mrs. Monroe Folmer of Marlin visited their mother, Mrs. Jack Folmer.

Mr. and Mrs. J. H. Thomas shopped in Waco Friday.

Mrs. Thorpe and daughter, Mrs. Knox Tidwell of Hearne visited their daughter, Mrs. L. S. Cunningham.

Mrs. W. H. Bailey accompanied by friends, Mrs. Oala Gause, Mrs. A. Varner and Mrs. Lizzie Tidwell will go to Rockdale Tuesday to give her mother, Mrs. Bell Porter, a surprise birthday party on her seventy-third birthday.

Charlie Kilpatrick and Misses Beadie Kilpatrick and Edrie and Ariel Wilson attended Sunday school at Milano Sunday, then accompanied by Miss Elsie Hauptfleisch, attended the Marlin District Institute held at Cameron. Others present representing the Gause League were Mrs. S. R. Cochran and daughter, Oradell, Mr. and Mrs. A. R. J. Eiland, Mrs. F. M. Hauptfleisch, and daughter, Helen, Mrs. T. C. Wilson and sons, Elvis and Sylvan, Dan Todd, Eulan Cook, Juanita Thomas and Bonita Gaston. This was our first time to attend the institute but we enjoyed it very much and hope to make a better showing at the next meet.

We are anxious for the next events of county meet. So far our boys and girls have done fine. They took first place in both junior and senior singing, we knew they would do that. Cecil Cook got second place in junior boy's declaiming and the girls got third place in volley ball and are sure of second place if they can't get first in indoor baseball. Come on boys and girls, you are doing fine. Let's make higher points than Gause has ever made.

The P. T. A. will meet at the school house, Friday night, March 28 and the subject for discussion is 'Juvenile

Protection.' Every parent is urged to attend.

Mr. and Mrs. Jim Walston are the proud parents of a new girl.

Misses Ila and Eva Vaughan of Belmena accompanied Miss Mildred Ditto to her grandmother's home in Maysfield Sunday afternoon and attended preaching services at the Presbyterian church.

Mrs. Tom Floyd and children, accompanied by Misses Mildred and Grace Thweatt, spent Sunday in Rogers, visiting Mrs. Ray.

Mrs. John Thweatt and children, Jimmie, Wayne and Bettie Jo, were Sunday guests in the home of Mrs. Tom Thweatt.

Mr. and Mrs. H. L. Yager and son, George, spent the week end with relatives in Austin.

Rev. and Mrs. R. L. Nicholson and daughter, Ruby, accompanied by Miss Mildred Massengale and Crockett Kenyon, motored to Rockdale Friday where Ruby was a junior high school declaimer at County Meet.

Mrs. Eva Todd is visiting her father, Mr. Charlie Butts.

We congratulate Branchville, our neighbor school on the success of her declaimers at County Meet. Maysfield didn't get any special honors, but she is proud of her contestants' work and hopes to see them do better next year. The junior won third place in the county and she had never heard of the piece she recited until Wednesday morning before County Meet on Friday.

### PRESBYTERIAN AUXILIARY

Circle one of the Presbyterian Auxiliary met Monday afternoon with Mrs. John Watson for Bible study. Mrs. C. W. Lawrence led the lesson from the third and fourth chapters of the Book of Acts. Circle two met with Mrs. Ben Atkinson, who also led Bible lesson from the same reference.

Next Monday afternoon a fifth Monday social will be held at the church, and a free will offering will be taken.

### MISSIONARY SOCIETY

Ladies of the Episcopal church Auxiliary had charge of the program in the mission book which they are studying jointly with the members of the Methodist church Missionary Society at their regular meeting Monday afternoon at the Methodist church and a very interesting and profitable lesson was taught, the first chapter by Mrs. R. P. Jeter and the second by Mrs. J. P. Love.

### METHODIST CHURCH

The subject of the sermon next Sunday at 11 a. m., will be 'The Need of the Hour-Holy Passion.' The pastor is anxious that every member of his church hear this sermon and as many others who will come. Instead of a sermon at the 7:30 p. m. hour, the Epworth Leaguers and their friends will give a beautiful pageant portraying some of the activities of the church and their society. This is the occasion of their annual Anniversary Day and the incidental collection on that evening will be applied to the advancement of their work. The public will enjoy this. All are invited.

Our Sunday school increases in interest and numbers; including about forty visiting Epworth Leaguers our attendance almost reached the 400 mark. That is very encouraging, as well as the fact that all the churches had a material increase in their Sunday school attendance last Sunday. We invite any and all, children and adults, who are not now members of any other school in our community to come and join one of our classes, a brotherly welcome awaits them. Our Sunday school begins at 9:45 a. m. C. A. LEHMBERG, Pastor.

### BAPTIST W. M. S.

Members of the W. M. S. of the Baptist church met in circles Monday afternoon for a lesson in Royal Service. Lottie Moon circle met with Mrs. Harve Dobbins with 12 members present. The examination on the mission book recently completed was given by Mrs. R. G. McLeod, after which the Royal Service program was led by Mrs. W. M. Fannin.

Eunice Taylor Glass circle met with Mrs. A. G. Button, who recently moved to Cameron from Hillsboro. There were 12 present and one new member, Mrs. H. B. McClellan. The program was led by Mrs. R. G. Grubein.

Lillie Mae Hundley circle met with Mrs. T. A. Howell with 11 members present and 3 visitors. Mrs. Mattie Shepherd led the program.

Mrs. Wilson Gunn, president of the Milan County W. M. S. met with the ladies of the Walker's Creek church

at the home of Mrs. Alva Lee Kenyon.

The Quarterly Birthday Jubilee for members of the W. M. S. will be held at the church next Monday afternoon at 3:30 o'clock at which time those ladies who have birthdays during January, February and March will be hostesses.

### CHRISTIAN CHURCH TO HOLD FLOWER SALE SATURDAY

Members of the Ladies Aid of the Christian church will hold a flower sale Saturday in the building where the Keith Electric Company is located. Pot plants and plants for gardens will be furnished by the Cameron Florist, the ladies netting a percentage on each sale made.

In addition to the flowers, there will be sold cakes, pies and sandwiches. Anyone wishing to place an order in advance for any of the articles mentioned can do so by notifying Mrs. Martin Kilian, telephone 574J or Mrs. G. C. Walters, telephone 642.

Plans for the flower sale were completed at the regular meeting of the Ladies Aid held at the church Monday afternoon. Following the business session, there was a Bible lesson from the Book of Acts led by Mrs. Raymond Beard.

### PARENT-TEACHER ASSOCIATION URGES VISITING OF SCHOOLS

Every patron of the Cameron school system is urged to visit the schools at some time during the first week in April, April 1-4 inclusive, this time having been set aside by the Parent-Teacher Association for such visiting.

One of the objectives of the P. T. A. is a better understanding between school and home. The committee making arrangements for the week of visiting believes that a visit to one's school is a friendly act of courtesy and cooperation, and that it will result in mutual help.

Beautiful home grounds give pleasure and add value to property. Valuable information is found in free catalogue of Ramsey's Austin Nursery, Austin, Texas. Write for it. 36-12tc

### HURT TO STAND

"Cardui Seemed to Build Me Up and I Was Rid of Pain," Says Virginia Lady.

Roanoke, Va.—"Some years ago, I was in a very run-down condition," writes Mrs. T. B. Akers, of 533 Nelson Street, S.E., this city. "I suffered a great deal with pains in my sides and back. Standing on my feet hurt me so much, that I would get very weak and nervous. I knew that if I didn't get something to help me, I would have to go to bed and stay there, which is hard to do for a woman who has small children. So I kept dragging about, until one day, when feeling unusually bad and discouraged, I happened to pick up a little book with a Cardui advertisement. I decided to try it.

"Cardui seemed to build me up at once, as I was able to do my work with ease, and was rid of the pain by the time I had taken six bottles. 'I have taken Cardui since then, whenever I felt that I needed a tonic, and it always helped me. I recommend it to my friends.' Thousands of other women have written to tell how Cardui had helped them to health.

Cardui is a purely vegetable remedy and contains nothing harmful or injurious. It may be safely taken by a delicate young girl as well as by a feeble old lady. NC-224

## HAPPY TO TELL ALL THE WORLD ABOUT KONJOLA

ST. LOUIS CITIZEN FOUND NEW  
MEDICINE TO BE ONLY ONE  
THAT MADE GOOD

After all is said and done, every medicine must meet this test: Does it make good? Konjola has made good in so many cases when all else tried has failed that it is the most

MR. THOMAS J. BIRGE

talked of medicine in America today. Take the case of Mr. Thomas J. Birge 2632 Chateau street, St. Louis, for instance. Read what he says about this master medicine:

"I am sixty years old, and most of my life, at least as long as I can remember, I had stomach trouble, and nothing helped me until I found Konjola. Imagine my astonishment when the very first bottle of this wonderful remedy started me on the road to complete recovery. Today I can eat whatever I like, no matter how rich and heavy the food, without the least discomfort. Fact is, I feel like a new man, and many of my friends to whom I recommend Konjola are as enthusiastic about it as I am."

Konjola is sold in Cameron at Geo. A. Thomas & Son drug store, and by all the best druggists in all towns throughout this entire section.

### Claim Made Man Receiving Antenna

The American Electronic Research Association has discovered that man is a walking receiving antenna. This human antenna, however, works best on a wave length of five meters. On that frequency the association says he can pick up programs as well as a wire slightly longer than eight feet. The association is seeking to determine the value of radio waves in the treatment of disease. All of which reminds us that the accomplishments and discoveries of scientists in one field often lead to important advancement in others.

France has taken a flyer in the fool business too. Everybody has the symptoms and everybody enjoys the other fellow's foolishness.

### New Theories Are Advanced About Earth

By C. E. Butterfield  
Associated Press Radio Editor

A different theory, 'admittedly radical,' as to why the sun and the earth function as they do has been evolved in the study of radio tubes.

It has to do with the action of electrons, just like those generated in the tubes make a receiver pick up music. The theory is advanced by Lieut. H. F. Breckel of Cincinnati, section commander of Ohio and Kentucky of the United States Naval communications reserve. He is a vacuum tube research engineer and as a hobby has attempted to link 'various puzzling phenomena with the electron theory of the radio tube.'

#### Makes Statement

The following statements are made by the lieutenant:

'My theory is that heat is received from the sun by electronic bombardment which sets up eddy currents in the earth's conducting surface and other objects thereon. This theory is in contrast to the one 'that the earth receives heat from the sun by radiation.'

'Further, the earth's rotation is caused by electronic bombardment rebounding from the half of the earth's surface facing the sun, with a corresponding greater reaction of pressure on that side as compared to the dark side.'

#### CARD OF THANKS

We take this method of thanking each and everyone of our neighbors and friends for their help and kindness during the sickness and death of our dear husband and father.

Especially do we thank Mrs. John and Tom Denson for their faithful service, even our loss is so great, and our burden so heavy.

We also thank those who sent flowers and hope you will be spared of this great sorrow and again we thank each and everyone for their kindness in this, our sorrow.

Mrs. J. D. Harris and children

### Vernon Slocumb Is Winner At Tennis

Vernon Slocumb of Cameron is one of the winners of a tennis tournament which was held recently to determine the freshman tennis team of Texas Christian University.

Slocumb will also play in a tournament to be held soon to decide which of the freshmen will play on the varsity team.

#### SHERIFF'S SALE

The State of Texas,  
County of Milam.

Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Milam County, of the first day of March, 1930, by Penn Wolf, Clerk of said Court for the sum of Four Hundred Thirty-Seven (\$437.55) 55-100 Dollars and costs of suit, under a certain judgment, in favor of City of Cameron in a certain cause in said Court, No. 122 and styled City of

Cameron vs. Wilbur, Peggy, Mildred, Gladys and Jack Crawford, heirs at law of Mrs. Sue M. Kirby, deceased and J. R. Crawford guardian of Wilbur, Peggy, Mildred, Gladys and Jack Crawford, placed in my hands for service, I, L. L. Blaylock as Sheriff of Milam County, Texas, did on the 1st day of March 1930, levy on certain Real Estate, situated in City of Cameron, County of Milam, State of Texas, and described fully as follows, to-wit: Lot No. One (1) in Block No. One (1) in T. A. Robinson Addition and Block No. Six (6) in Southeast Addition of the City of Cameron, Milam County, Texas, and levied upon the property of Wilbur, Peggy, Mildred, Gladys and Jack Crawford, heirs at law of Mrs. Sue M. Kirby, deceased and J. R. Crawford, guardian of Wilbur, Peggy, Mildred, Gladys and Jack Crawford and that on the first Tuesday in April 1930, the same being the 1st day of said month at the Court House door, of Milam county, in the city of Cameron, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said Order of Sale I will sell said above described Real Estate at public vendue,

for cash, to the highest bidder, as the property of said above named defendants.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately pre-

ceding said day of sale, in the Cameron Herald, a newspaper published in Cameron, Milam County.

Witness my hand, this 1st day of March 1930.

TIME-TRIED AND FIRE-TESTED

"A word to the wise is sufficient,"  
so is complete fire protection.

LET THIS AGENCY PROTECT YOU

# Would you like to cook a meal in your own kitchen with STARGAS?

What could be a truer test of STARGAS than to try it out in *your own kitchen*? To cook a meal for your family with it. This test can be made with any type of stove you are now using. Test installation is made in less than five minutes. Nothing has to be done that would "mess up" your kitchen. Of course this "sample," which the coupon will bring, can't give you any idea of the efficiency of a beautiful STARGAS range.

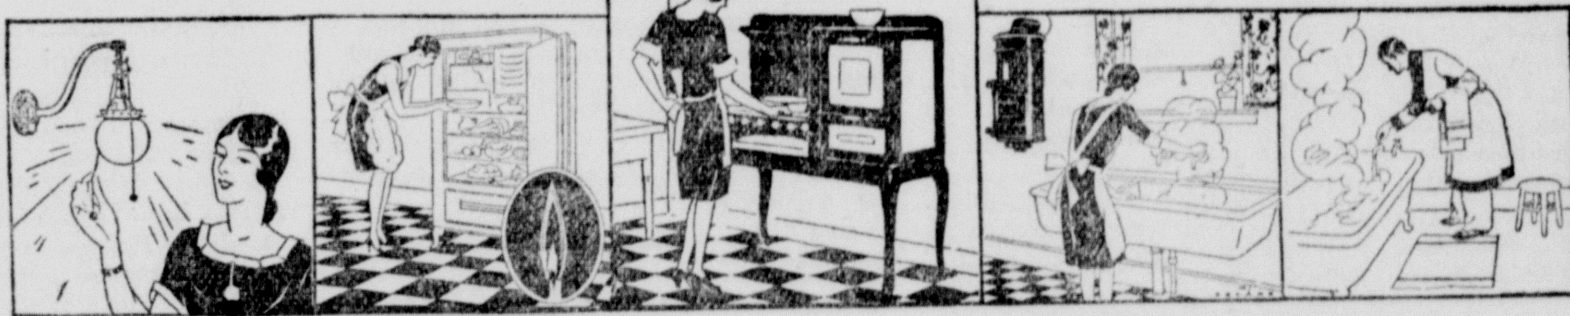

There is absolutely no obligation to you. This "sample" demonstration of STARGAS is absolutely free! There is positively no obligation to you at any time. There will be no "high pressure" salesmanship. STARGAS, when its many advantages are fully explained sells itself.

STARGAS brings you all of  
these conveniences . . .

Natural gas for lights, refrigeration, cooking, heating water and ironing . . . no matter where you live! And remember that any time natural gas, direct from pipe lines, is available your STARGAS equipment can be easily and quickly converted to use it.

This demonstration truck brings your free "sample" of STARGAS to your kitchen door. Mail the coupon for appointment.

"We have used STARGAS a little over one month. It cooks quicker than pipe line gas, at a cost much less than we expected."

Mrs. J. K. McA., Dallas, Texas

The above was taken from one of the many letters of praise for STARGAS that are coming into headquarters. Women who have not experienced the many pleasures of cooking with gas are over-joyed with their STARGAS installations. STARGAS is so clean . . . always ready to go . . . strike a match . . . turn the handle . . . instantly you have a blue hot flame. No fussing with wicks . . . no running out of fuel just when the biscuits are beginning to rise . . . and never again will you need to get all "messy" filling fuel tanks. You can never run out of STARGAS. When the first cylinder is empty you merely turn the little lever on the second cylinder . . . give your local agent a ring or drop him a post card, and out comes a fresh cylinder. Each cylinder is lasting the average family about two months for cooking. After every installation, STARGAS representatives make frequent "check up" calls. This continuous, dependable STARGAS service is guaranteed by the Lone Star Gas Company. Read the letters below from STARGAS users and then send the coupon for demonstration appointment and complete information about STARGAS . . . the safe, reliable, economical fuel for everyone beyond the reach of gas mains.

### What others are Saying about STARGAS

Have used Stargas at my ranch house for over six months. Its performance has exceeded my keenest expectations. It has given us the comforts and conveniences of a city home, twelve miles away from the nearest railroad, but we also find that Stargas is not expensive.

Very truly yours  
E. T. L.—Webb, Texas

I have been using the electrolux since last June and so far have never seen its equal for farm or ranch use. We run our box from 6 to 7 weeks on one drum of Stargas.

During extreme cold weather we use very little gas, about 2 1/2 months on one drum of gas.

Yours sincerely  
T. A. B.—Sheffield, Texas

Your Stargas solved a very perplexing household problem for me. I had been able to secure at my country place all city conveniences except gas, and I had experimented with many substitutes for gas with poor success. Stargas supplies this deficiency completely.

Yours very truly  
M. T. L.—Dallas

### Stargas Equipment Including Range \$180

Complete STARGAS equipment, consisting of cabinet, two cylinders of gas, house piping for cooking and STARGAS range, can be purchased for about \$180.00, depending on the range selected. Convenient terms if desired. The coupon will bring you further information.

Please send complete information and make an appointment for the STARGAS Demonstrator to call at my home.

## MRS. GUY NEWTON HOSTESS CAMERON SYMPHONY CLUB

Mrs. Guy Newton was hostess to the Cameron Symphony Club Wednesday afternoon and Miss Bess DuBois led the program on the operas 'Lohengrin' and 'Tannhauser' by Wagner. Miss Rose Risch gave a sketch of Wagner's life. Mrs. Newton told the story of 'Tannhauser'. The musical half of the program consisted of recorded selections from the operas, a Victrola having been loaned by the New Cameron Drug Co.

Committees were appointed for a series of special programs to be given during National Music Week, April 1-10, announcement of these services to be made later.

Mrs. Newton, assisted by her children, Doris and Joseph, served cakes and sandwiches and iced punch during the social half-hour following the program.
